## BE VIGILANT, WARN POLICE

### Spate of purse snatches hits High Street

BY BEN MIDDLETON  
ben@tindlenews.co.uk

POLICE in Honiton are warning members of the public to be vigilant following a number of purse snatches that have occurred on the High Street.

On Tuesday, September 8th, between 12noon and 2.30pm, two purses were taken from handbags while the victims were shopping in the town.

A spokesman for Honiton police said: "Please be aware that you need to be extra

careful with your purses in your handbags and shopping bags.

"The thefts are very upsetting for the victim, please be vigilant, if you see anything or have any information contact us.

"Remember, never leave your bags unattended, carry your bag close to you with the clasp facing inward, keep it zipped up and make sure your purse cannot be seen."

The spokesman added that members of the public should avoid carrying valuables or large amounts of cash and never carry

PIN numbers with your bank cards.

The Honiton Neighbourhood Team have some free Lanyard's - a lead with a clip at either end - one end clips onto your purse, shopping bag or belt.

If you would like one of these clips contact Honiton PCSO Darren England either on 08452 777 444 or e-mail honiton@devonandcornwall.pnn.police.u.

A spate of vehicle crime has also taken place in the area. Eight wheel nuts were taken off two wheels of a Suzuki Vita Jeep and badges have been stolen from several cars parked

in Honiton.

The police spokesman said: "The theft of the wheel nuts is a real concern as the owner of the vehicle is unsure exactly how long these have been missing.

"The vehicle is used as a family car and has two baby seats in the back. This could potentially have caused an accident and the consequences does not bear thinking of.

"It may be worth checking your vehicles and if you find any wheel nuts missing or you have any information regarding this incident contact us."

## Woman dies after crash

A PENSIONER from Honiton has died in hospital after the car she was travelling in was involved in a crash at Broadhembury.

The 88-year-old was the passenger in a black Nissan when it collided with a blue Transit van on the A373, Honiton to Cullompton road, at Hembury Fort just before 2.30pm on Thursday, September 10th.

Initially it was thought that the elderly lady's injuries were not life threatening.

Police are investigating the incident and a spokesman said: "It is not yet known the full cause of her death but we believe it is likely to be from the injuries she sustained."

"The car was being driven by the woman's husband."

## Custody for 'fraud' man

A MAN from London has been remanded in custody after allegedly committing a fraud offence in Honiton.

On Sunday, September 13th, the man was arrested in Staffordshire where he has been interviewed by a number of forces in relation to a string of offences in east Devon and Dorset.

The suspect had visited Honiton post office and allegedly handed over false documents in order to gain Euros. The offender appeared before magistrates in Stoke on Monday, September 14th, where he was remanded in custody.

## Combine fire extinguished

FIRE crews from Honiton were called to reports of a combine harvester fire at Kerswell Road, Broadhembury, on Monday, September 14th.

The incident happened just after 4pm.

The fire was put out using one hose reel and two dry powder extinguishers.

## Vehicle blaze

A FIRE crew from Honiton was called to reports of a car fire near Cherry Bridge, Weston, just after 12.30am on Saturday, September 19th.

One hose reel was used to extinguish the flames and the car was severely damaged by the fire.

# New children's centre ready to open its doors

BY BEN MIDDLETON  
ben@hindlenews.co.uk

HONITON children's centre will officially open its doors later this month.

The centre will be based at Littleton Primary School and has cost £277,000 to complete as part of a multi-million pound investment programme by Devon County Council (DCC).

It will be opened by the vice-chairman of DCC, Trevor Pennington, at 1.30pm, next Tuesday, September 29th.

Andrea Davis, DCC cabinet member for children's health and well being, said: "There is overwhelming evidence to

demonstrate that it's in the early years of a child's life where patterns are set for the future.

"What happens in those early years can determine the quality of the rest of their lives."

"Every parent naturally wants the best for their child and we are determined to help and support them in ensuring their children get the best possible start in life."

The centre is being managed for DCC by The Children's Society.

Centre manager, Vikki Duffy, said: "Our dedicated and hard-working staff and volunteers are committed to providing the very best opportunities to help families ensure their children flourish."

"We have been delivering a service in

Honiton and the surrounding areas for more than a year.

"We have enjoyed getting to know the families in our area and expanding our services to make full use of the Clapper Lane building. Now we can bring our services even closer to the children and families we serve."

Honiton St Michael's county councillor, Sara Randall Johnson, added: "DCC is investing heavily in ensuring we have high quality facilities and support for children and their families."

"I am delighted we have been able to expand these facilities in Honiton so that we can provide a better service to families in the town and the surrounding communities."

## Neil hits 2,000-mile swim target

AN east Devon man has swam 2,000 miles, the equivalent of 91 English Channel crossings, at Honiton Swimming and Leisure Centre.

Neil Brown, of Dunksell, has been a regular visitor to the centre since 1993. On each visit he swims, on average, 80 lengths of the 25-metre pool.

Mr Brown said: "I enjoy swimming — it's my main hobby and I believe it is good for you. I started this challenge back on January 7th, 1993 with the aim of swimming 2,000 miles and I can't believe I've finally reached

my goal, 16 years later.

"In Fact, I've actually swam more than 2,000 miles as in 2004 I completed a swimathon for charity. My next goal is to swim another 500 miles, bringing my total to 2,500. This means another 32,000 lengths and 400 sessions at the pool and I'd like to complete this in 2013, when I will have been swimming at the pool for 20 years."

Along the way, Mr Brown has also raised money for charity — over £1,300 to date. He said he wants to increase this amount to £2,000 in the future. His chosen charities

have been the Anthony Nolan Trust, the Special Care Baby and Kidney Unit in Exeter, the British Heart Foundation and Macmillan Cancer Research.

Simon Davey, manager of the Honiton Swimming and Leisure Centre, added: "Neil has become a familiar and popular face at the pool over the years."

"We've known about his 2,000 miles target for some time and we're thrilled for him that he's made it. We're looking forward to helping him achieve his next milestone at the pool."

## Ambulance staff on trek for NSPCC

STAFF from Honiton ambulance station are set to embark on a trek in aid of the NSPCC.

The 25-mile circular hike will take place throughout the east Devon countryside on Sunday, September 27th.

Organiser of the event, Gary Pester, said: "We have had a fantastic response from staff signing up to take part and our area manager has been excellent in helping arrange shifts so that we can all take part."

"I was overwhelmed by the number of people who wanted to take part."

"We have all been training and some have taken it more seriously than others but it is safe to say the sports shops in Honiton have been doing a roaring trade in new shoes recently."

"We are hoping to be able to raise a lot of money, we've all got sponsorship forms and I am sure we will do very well."

Anyone who wishes to take part in the charity trek can contact the NSPCC south west appeals team on 01823 346346. Alternatively e-mail southwestappeals@nspcc.org.uk. Registration for the event costs £15.

To sponsor the ambulance staff contact Mr Pester on 07872 630919.

All the money raised will go towards the Child's Voice Appeal to help expand the Exeter-based ChildLine service.

Staff from Sidmouth ambulance station will also be taking part in the challenge.

## No stopping as tour speeds through east Devon

BY ANDERS LARSSON  
anders@indlenews.co.uk

THOUSANDS of people watched Tour of Britain sweep through east Devon last Friday.

People came out from homes, workplaces and schools to watch and encourage the riders on their way from Hatherleigh to Yeovil during the tour's penultimate stage.

Anticipation had been building ever since then county councillors Margaret Rogers and Douglas Hull leaked route information to Pulman's Weekly News in March.

An official race launch followed in Axminster's Guildhall in May, and the tour was seen as a golden opportunity for affected locations to gain national media coverage.

Friday's stage was a real crowd puller in places like Honiton, Seaton and Axminster — but any hopes of national television coverage ended up on the floor of ITV4's cutting room.

The one-hour Tour of Britain highlight show on Friday evening had a commercial break when the riders were heading for Honiton.

When the highlight show resumed, the riders were at West Coker, near Yeovil — producers failing to feature east Devon.

The stage was won by Ben Swift, who became the first British cyclist to win a stage since 2007.

Overall winner of this year's Tour of Britain was Norwegian Edvald Boasson Hagen.

Devon County Council was officially hosting the stage and councillor Stuart Hughes, Cabinet member for Highways and Transportation, said: "I'm proud that so many people in Devon turned out over the two days to cheer on all of the tour riders, helping make this a great spectacle."

"Schoolchildren and local people have enjoyed some exciting racing, and working in partnership with Somerset County Council, it's been a great success."

## No action to be taken over drugs pupils

AXMINSTER police say there will be no legal action taken against the Axe Valley Community College students recently caught with cannabis.

The Home Office states that young people found to be in possession of cannabis will be arrested and taken to a police station where they can receive a reprimand, final warning or charge depending on the seriousness of the offence.

But Axminster-based PC Darren Herridge said that if a student is caught on school grounds during school hours, the matter can be handled exclusively by the school.

There is no police log on the matter, but PC Herridge said the college had informed police as a matter of courtesy.

Headteacher Martin Smith was away and not available for comment at the time of going to press, but it is understood that six students were suspended for three to four days.

## Market date

THE next Ottery St Mary Community Market, organised by Sustainable Ottery, takes place from 9.30am until 12.30pm on Saturday, September 26th.

# Residents' anger over supermarket decision

BY BEN MIDDLETON  
ben@findlenews.co.uk

**RESIDENTS in Seaton have reacted with anger over the decision by East Devon District Council to allow Tesco permission to build in the town.**

More than 20 members of the public spoke during the Tuesday, September 15th, development management committee meeting to consider plans by the supermarket giant and rival chain Sainsbury's. All but two spoke in favour of Sainsbury's.

Seaton mayor Sandra Semple was among the first to speak.

She said: "More than 95 per cent of people polled want a Sainsbury's, what benefits does Tesco have? Tesco will destroy our tourism and tarmac all over it. Sainsbury's can deliver on their promises and will bring jobs in leisure and tourism not just at the supermarket."

Carol Miltenburg, Axmouth parish clerk, said: "Axmouth Parish Council questions the wisdom of raising the whole site."

"We have major objections over the B3172 road through the village being used as an access road to and from the sites. All HGVs will use the road through the village and this will have a detrimental effect on people living in Axmouth."

"We demand a planning condition that all HGVs be banned from using this road or that there is a seven and half tonne limit imposed."

Ron Jones, the mayor of Axminster, added: "In Axminster we are concerned with the number of lorries that will be going through the town and the possibility of flooding upstream as well."

Claire Wise, of Sustainable Seaton, said: "Tesco will have a negative impact on the environment. Their plans are old fashioned, lack vision and should be refused on environmental grounds."

Lizzie Bewsher, of Stand up for Seaton, said: "The Sainsbury's plan is inspired and visionary and has great merits. We are deeply concerned with the Tesco plan and

◆ **SUPPORTERS of the Sainsbury's application dressed in orange to voice their opinion outside Seaton Town Hall on Tuesday, September 15th before the final decision was made**

the offer proposed. This is our David and Goliath moment and we need the community to be honoured in our hour of need."

David Moseley gave a speech inspired by Winston Churchill. He said: "Before selling Seaton down the river, think again. Do what is right for the town. Rest assured we shall fight them (Tesco) on the beaches, we shall fight them on the flood plains, we shall fight them on Harbour Road, we shall not surrender."

Jerry Trew, Vicar of Seaton, said: "This is one of the most important decisions for Seaton in decades. Tesco only

promises and offers no firm commitments. The Sainsbury's development offers great benefits for the town."

However, Lyn Woodson was in support of Tesco. She said: "Tesco wins hands down. It offers the best opportunities all round."

Debby Hubbard and Sue Amato, of the Pink Hippo Day Nursery, said Tesco had enabled them to stay on site and have been very supportive.

Mrs Amato said: "Tesco has given us ongoing support and commitment. They have the best interests of the town in mind."

## MP wannabe blog

**A LIB Dem MP wannabee has started an anti-Tesco blog.**

Jon Underwood, of Axmouth, is the parliamentary candidate for Tiverton and Honiton.

Mr Underwood was present at the district council development management committee meeting held in Seaton Town Hall on Tuesday, September 15th, and spoke out against the supermarket giant.

He said: "Beyond any doubt tourism is what Seaton needs. The Tesco plan is nonsense. No way should it be approved. Tesco cannot create jobs they will destroy jobs. This plan, if approved, is an aesthetic insult, an economic nonsense, an environmental blight and a democratic affront."

"It's a disgrace. It makes me ashamed to live in an area where democracy is clearly worthless. What's the point of having consultation when it gets completely ignored?" Following the decision to grant Tesco permission to build in Seaton Mr Underwood has created the blog which can be seen at [www.jon4tivandhon.org.uk/page23.html](http://www.jon4tivandhon.org.uk/page23.html).

Mr Underwood added: "I thought the decision was a disgrace. So much so that I decided to start a blog in order to rant about it. Apparently it [the Seaton Tesco] is going to be bigger than the Axminster and Honiton store combined."

◆ MEMBERS of Yarcombe YFC present a £1,000 cheque to Roy Hole from SURE

## Young farmers give £1k charity cheque

MEMBERS of Yarcombe and District Young Farmers' Club saw the culmination of their fundraising activities when a £1,000 cheque was presented.

The happy recipient was Roy Hole on behalf of Somerset Unit for Radiotherapy Equipment (SURE).

Mr Hole explained that the aim of SURE is to provide state of the art radiotherapy equipment to local people, eliminating the need for patients to travel long distances for treatment.

SURE is raising money for equipment used for certain hard-to-reach areas of the body, such as the brain.

Money is also raised to help make sure that radiotherapy equipment in general at Musgrove Park Hospital, Taunton, remains as advanced as possible.

Yarcombe YFC's £1,000 were raised during the summer, with the principal fundraising event being a duck race on the River Yarty.

## Locals lose, Tesco wins

**I FEEL headlines should read: Tesco takes over the world — or east Devon at least.**

What a shame Tesco has been given the green light to build in Seaton. I haven't got anything against the company personally... oh, apart from the hideous do-or-job-for-us, I mean self-serve tills, but that's another column — and already has been.

No, it's just that Tesco is everywhere, isn't it? Personal views aside, this newspaper would never be biased in its reporting on such news stories, I can assure you of that.

But, as a resident of Colyton, neighbouring town of Seaton, I feel I am just in airing my opinion within this column.

Colyton is an interesting town in a very perky spot in between Axminster, Seaton and Honiton. It is not large enough for its own superstore (although it does boast two smaller ones) so weekly shopping is done elsewhere. And what choice does one have?

Well, there's the Tesco at Axminster and a small, in comparison, Co-op. There's a Tesco at Honiton and now there's going to be a Tesco at Seaton as well.

Oh well, who wants a choice anyway? What's wrong with being forced to shop at the only store available to you? You can still get in your car and drive further to a different store increasing this all-important carbon footprint.

I expect the planning bosses at East Devon District Council have very good reasons for not letting Sainsbury's open a store in Seaton. I expect they have a better idea of how to bring extra business to a struggling seaside town, better than giving opportunity to a different company that would surely bring custom from all the surrounding towns.

From a newspaper editor's point of view, this whole battle of the big stores is great, giving us meaty, local stories and high emotions running through the local towns which culminate in juicy letters pages (see this week's Your Views and Letters four-page special on pages 10, 12-14). We love a local row to get temperatures and tempers soaring.

However, it's a disaster from a local resident's point of view. I couldn't imagine anything underhand would take place involving Tesco and EDDC but I just wonder what the planning leaders were thinking.

Thus, my hopes to shop in Seaton at the new Sainsbury's store are now dashed and the town, unfortunately, will not get extra custom from me... and it will lose out from a few others too I would wager.

◆ IT seems it's not just me who wanted to taste the difference of a Sainsbury's store. See stories on page 5 and our Your Views and Letters four-page special starting on page 10

## Primary ticks healthy boxes

◆ SHUTE Community Primary School pupils

BY ANDERS LARSSON  
anders@tindlenews.co.uk

**SHUTE Community Primary School ticked 62 boxes to gain Devon Healthy School status.**

The Devon Healthy Schools Award is part of the National Healthy Schools programme, which aims to equip children and young people with the skills and knowledge to make informed health and life choices, and to reach their full potential.

A statement issued by the school explained: "To achieve healthy school status, Shute Community Primary School was successful in completing the 62 separate criteria.

"These criteria include a focus on healthy eating, physical activity, emotional health and well-being as well as drugs, smoking and alcohol awareness.

"The award also focuses on safety, child protection, career, improving the environment, citizenship and safer travel to school.

"Shute Community Primary School is particularly proud of the high provision it has achieved in the formation and running of the school council (run by the children for the children) and its healthy eating ethos.

"The school is looking forward to displaying its Healthy School sign to show the whole school community the official recognition it has received for these important aspects of school life.

"Healthy School status lasts for three years and each year the school will receive a 'health check' visit as part of the on-going quality assurance procedures.

"During this time the school aims to continue to improve its provision so that it goes from strength to strength."

## EDDC needs a volunteer

EAST Devon District Council's Housing Review Board is looking for an independent volunteer with an interest in social housing and community development.

The successful candidate will join the councillors, tenant representatives and a second independent community representative who currently make up the board.

Among other things, the board, which meets at least four times a year, advises the council on housing policy.

Members develop and support the vision and values of the housing service and are actively involved in looking at the future ownership and management of council-owned homes.

More details about the unpaid (expenses are paid, though) role can be obtained by contacting Sue Bewes on 01395 516 551 (extension 2200) or by emailing sbewes@eastdevon.gov.uk.

## Shelterbox's funds boost

THE Shelterbox charity received a boost from the members of Hemyock Women recently.

Roger Lambert, the Shelterbox representative for Tiverton, gave a presentation to the group during their September meeting. Mr Lambert told the story of how the charity was first established in the year 2000.

During the event £145 was collected for the charity.

# Library seeks photo ID help

A DEVON library is asking for help to establish where a number of older photos were taken.

Although organised by Westcountry Studies Library in Exeter, all images can be viewed at county-council libraries in Devon.

The library has more 100,000 images dating back to the early 17th century, catalogued by town or village name.

Most are of known locations, but some as yet are unknown - which is where the Devon public comes in.

Fifty photographs, shot at unknown locations, have been selected for The Location, Location, Location Investigation.

It is hoped members of the public can help identify the location by viewing the images online or attending exhibitions in Exeter.

The photos will be exhibited in Exeter Central Library from September 21st to October 4th, and at Westcountry Studies Library from October 5th to October 18th.

People unable to travel can view the selection online at [www.flickr.com](http://www.flickr.com) (type in 'Where in Devon' into the search field).

Those without a computer can go to their local library and ask to view the images on a library computer.

Katherine Dunhill of

Westcountry Studies Library, said:

"This important piece of work captures the imaginations of so many people each year, drawing on their memories to recall times and places, perhaps from childhood, or even their present day.

"This is not a competition, there are no prizes. These are images that have been donated by Devon people to the library over the years, and we genuinely do not know where the images were taken.

"With the public's help, we have been able to identify and therefore correctly catalogue many of our previously unknown images.

"People find it great fun, playing amateur detectives to identify places they know, or they think

they know.

"Sometimes we will even hear stories behind the photographs; the reasons why some locations are significant to members of the public."

County councillor Stuart Barker, who has Cabinet responsibility for Devon's libraries, said: "This is a great opportunity for people to test their local knowledge of Devon and the Westcountry.

"The images chosen this year are all quite remarkable - each of them strong, and a reminder of life gone by.

"The knowledge that people may have about this year's collection is also very valuable to the library, so I hope people will take time to come and see the exhibitions or view them online."

# PULLING IN HUGE CROWDS

**AXMINSTER** Carnival pulled in huge crowds, aided by splendid weather.

The pavements along the route were lined with people and everything seemed to go according to plan, apart from one float temporarily breaking down in West Street.

Collections were slightly down compared to last year, but organisers were pleased and expressed a big thank you to everyone who supported the event.

Carnival committee member Liz Purvey said: "As far as we are aware, the carnival went very well."

"We had a very good crowd and everyone appeared to be enjoying themselves."

"Axminster Carnival Committee would like to thank everyone who supported us this year."

"We were extremely lucky with the weather which is good for the people on the floats as well as people watching."

"We changed the direction of the route this year. It is difficult for the committee to know the reaction of the public on the night as we are a small committee and are busy ensuring everything goes as smoothly as possible. "The trophies were presented in the Guildhall at approximately 10 pm and quite a number of people came in to watch the presentations."

"Our collection was slightly down on last

year. It was approximately £1,917. "Thanks to everyone for their contributions as we appreciate what a difficult time it is financially for many people."

## Police prevent carnival rave

AXMINSTER police prevented a carnival float from becoming the centrepiece of a late night rave.

Police had received intelligence that a rave was to be staged in a field just outside the town, and officers were determined not to let the rave start.

The field is on the right as you leave Axminster towards Chard.

Police kept tabs on the float during the procession and regularly inspected the field for any signs of a rave being set up.

The float entered the field at about 10pm and police spoke to those onboard.

According to police, those onboard admitted the intention had been to stage a rave and spread the words in town pubs during the night.

But, again according to police, they realised police were keeping tabs on them and decided not to go ahead.

A police spokesperson said: "Section 63 of the Criminal Justice and Public Order Act 1994 gives powers of entry and seizure to the police when dealing with musical gatherings on land in the open air and creates the offences in connection with such events.

"The section applies to a gathering on land in the open air of 20 or more persons (whether or not trespassers) at which amplified music is played during the night (with or without intermissions) and is such as, by reason of its loudness and duration and the time at which it is played, is likely to cause serious distress to the inhabitants of the locality."

The carnival night itself was more or less trouble-free.

Police had five Axminster-based officers, 19 special constables and a six-strong Tactical Aid Group team on duty.

Two cases of disorder at the fun fair were reported, but nothing was ongoing when officers arrived.

Some "tension" was also reported when the fun fair was being emptied just after 11pm.

A quantity of alcohol was seized from people aged under 18, and their parents will be informed in due course according to Sergeant Peter Trudgeon.

Overall, he was very pleased with the evening and expressed special gratitude to the special constables who gave up their own time to help out on the night.

*As chosen by Pulman's View from*

# There is lack of democracy on local plans

**EDITOR** — On two previous occasions I have written to *Pulman's View* from Seaton expressing my concern at the lack of democracy on local planning issues, in particular with regard to replacement windows for businesses in the Seaton conservation area.

My main concern remains: why has the owner of Animal Botanical been asked to reinstate wooden-framed windows and a wooden door, despite the proliferation of plastic and metal frames in the conservation area and despite the fact that over 600 customers signed the shop's petition, agreeing that the PVCu was an improvement? East Devon District Council's (EDDC) reply to my concerns was that it was up to the citizens of Seaton to report abuses of planning regulations. Regrettably, someone exercised this option and lodged an anonymous complaint.

Readers will not be surprised to learn that the owner's appeal against EDDC's decision was recently dismissed and the wooden frames and door will have to be reinstated at considerable cost.

A recent article by George Monbiot in *The Guardian*, (accessible on the 'Stand up for Seaton' website), has greatly increased my fear in this lack of democracy in local planning decisions. Monbiot's evidence shows quite clearly that whatever Tesco wants, Tesco will eventually get. For example, in connection with a major development by Tesco in Sheringham, Norfolk, their chief property spokesman was quoted as saying: 'We look for sites that need and want a Tesco superstore and we think Sheringham is one.' For 'Sheringham' substitute 'Seaton'.

Do Seaton residents realise that the proposed store will be twice the size of their Axminster store and two-thirds the size of Exeter? A store of that size in Seaton will only prosper if customers come from miles away and many local shops

close down. Do locals realise that a Tesco consultation is not independently audited, neither is there a legal obligation for the developer to ensure that the claims it makes are accurate?

If Tesco's plans were turned down, they could appeal, but the cost to a council of bringing a court case would be astronomical.

If, after re-appealing and re-submitting they are ultimately successful, Tesco could then claim costs — enough to make any council think twice about such a challenge. Unfortunately, planning laws do not permit a referendum so democracy is completely ruled out. Now that Tesco has become EDDC's preferred option, do the residents of Seaton still think this development will not happen?

Section 11 of EDDC's Corporate Business Plan 2009 is entitled 'Engagement — empowerment of local people'. In relation to Seaton shop fronts and regeneration, how hollow it all sounds!

Finally, much has been spoken and written about the 'Willoughby Housegate' affair.

As is often the case when the focus strays to personalities rather than issues, more heat is generated than light! No doubt the Mayor and town councillors had the best interests of Seaton at heart when they began to look into the possibility of its purchase. However, as Glynn Salter pointed out last week, councillors ignored the people of Seaton.

As our elected representatives they should remember that listening to us does not end, but should begin on election day.

Councillor Burrows is to be commended for fulfilling his prime function — listening to and acting upon local views. Isn't this real democracy in action?

# Where were our local majorettes in carnival?

**EDITOR** — Where were the Seaton Majorettes this year at Colyton Carnival?

We were very disappointed not to see them take part in the procession this time. Seaton and Colyton are very closely linked, neighbouring towns and Seaton Fire and Ice Majorettes have children from Colyton, Seaton and the local nearby villages included in their team.

Colyton Carnival has always been a family-orientated local community procession for local community people but where was our local troupe?

It was lovely to see the Honiton Twirlsters but surely it should be the more the merrier for a carnival atmosphere?

Particularly with the recession and

the lack of floats at the moment, it would have been lovely to have seen more majorette troupes there, as was the case with Seaton.

If it is a case of committees not wanting too many troupes there, then surely the most local troupe should have priority? My children were very disappointed to not have the opportunity to support their local town in front of their friends and family by displaying this year.

# Care system was so good

**EDITOR** — May I, through your paper, thank all people involved in my treatment during and after my recent heart attack.

To the First Responders, Seaton Fire Service, the paramedics who were all with me within a few minutes, and the doctors and staff at the Royal Devon and Exeter. I owe you all a great deal of gratitude. The courtesy, reassurance and care that I received was beyond compare.

It is reassuring to know that there is such a good system of care in place in this area. From home to hospital, a life saving procedure, and on the way to recovery in a ward, all within an hour. Not bad going! My deepest thanks.

## G & T Services (SW) Limited Company Profile

G AND T Services (SW) Limited was formed by the two Directors 'Guy Parkhouse and Terry Ridler in 1983 who to start with carried out the majority of work.

The Company has expanded over the years and now offers a wide range of goods and services.

Both the partners have worked in all areas of the business and have experience in the installation of 'all' products they supply. They therefore have a thorough understanding of the business and use this to apply a strict Quality control over the goods they supply and the services they offer.

G & T Services (SW) Limited are a trusted and respected company in the area they offer the following services with quick response times and competitive rates:

### Electrical

- Commercial and Domestic Electrical installation Work
- Fire Alarm Installation
- Emergency Lighting Installation
- Commercial and Domestic Planned preventive and reactive Maintenance
- Data and Telcoms installation
- Induction loop and soundfield systems

### Garage Doors

They offer a complete and comprehensive range of Garage doors, which can be fitted and installed by their fully trained and qualified staff. A garage door is normally the biggest single moving object in your house. It is vital when specifying a new garage door that you are assured of the safety of the product you are installing, and that the mechanism chosen can operate well and safely in your home. You can be reassured that all Garador products fully conform to British Standard and European legislation on safety in use. By choosing a Garador product, you are choosing the safest option available to you and your family.

### Automated Garage Doors

Opening your garage door from your car is not only easy, it's safe too. At the touch of a button, the automatic operator opens the garage door and lights the garage interior. You drive into the garage and the door can then be closed behind you. All without leaving the safety and comfort of your car.

All Garador operators come as standard with two hand transmitters. For additional safety and security, hand transmitters select a code from more than 1 billion possibilities.

## Conscience guilty, Rach?

**EDITOR** — You may recall journalist Rachel Johnson's unnecessarily snide article about Axminster in the Sunday Times Magazine after she passed through one Sunday morning.

In the Daily Mail (September 8th) Rachel Johnson, who lives on Exmoor and obviously considers herself an embedded member of the local 'countree folk' (or should I say 'county set'?), felt moved to pen an article in response to columnist Liz Jones numerous screeds about her recent relocation to Exmoor and experiences there.

It would appear that Johnson is most annoyed at Jones's seemingly derogatory comments about her version of life on Exmoor (highlighting for example Jones's references to "chicken-in-the-basket pub meals" and "no single men under the age of 95 with their own teeth," amongst many others).

With a guilty conscience perhaps, Rachel Johnson mentions Axminster in her Daily Mail article: "The other day I made an ungracious reference to Axminster in print, and from the evidence of my postbag I think that if I showed my face there again, the townsfolk would lynch me."

So glad to see that what goes around comes around.

# What a complete farce!

**EDITOR** — What a complete and utter farce. Not for the first time I have sat through an East Devon District Council Planning meeting and been appalled at the manner in which it was conducted.

What do you have to do to get on this committee? Apart from the obvious surgical removal of a spine.

A few words of advice to the committee members. You are allowed to go against the planners

recommendations, that's why a committee exists to discuss the matter not to just rubber stamp it. You are allowed, not expected, to take local opinion into account.

Your chairman was biased and extremely rude. Mr Diviani, where I come from a chairman is expected to be impartial, after this display I believe you should seriously consider your position.

To the committee member who

wished there was some way to send hope to Axmouth.

I've news for you, there was. You could have voted against the proposal.

I am totally mystified as to why the applications were referred to as North and South rather than Sainsbury's and Tesco.

We were told that the merits of the relevant supermarkets were not up for discussion. Yet one of the major

reasons for local opposition to Tesco is because there are plenty of Tesco stores in the area but no Sainsbury's. I would say that should have been an important consideration.

All in all I am totally disgusted by what I saw and can only hope that Sainsbury's are consulting with their solicitors.

## Could a town be any more betrayed?

**EDITOR** — Could a town be betrayed any more by its authority? Only one lonely councillor had the guts to oppose the Tesco plan — thank you to him.

The rest dismissed out of hand objection after objection and ignoring what the town wanted.

To say this was a stitch up is an understatement. Yet again it is one rule for Honiton and Sidmouth,

another for us. Because we don't matter.

If Tesco had listened to what the town wanted and given it to us in a full (not outline) planning application then perhaps we would have been more open to them despite the fact they have a monopoly in the area.

But they have given us nothing — only a re-hash of the awful Liatris plans.

I have seen so many people work relentlessly on trying to get a better deal for Seaton, only to be betrayed yet again. I want to thank them - their work has not gone unnoticed by me at least.

One wonders what will make EDDC give Seaton a fair deal and my conclusion is that they never will.

There is only one thing they can do — hand us over to West Dorset

District Council, and the sooner the better.

EDDC obviously has an agenda for Seaton — the forgotten town. To forget it even more. No youth facilities. No leisure facilities. No tourism. Just a giant Tesco. Thank you EDDC I hope you are proud of yourselves.

## Democracy died in Seaton Town Hall

**EDITOR** — Representative democracy died in Seaton Town Hall at 5.55pm on Tuesday, September 15th 2009.

This was the precise moment that EDDC's Development Management Committee chose to totally ignore the obvious wishes and the reasoned arguments of so many of the concerned residents of Seaton, who

attended and of those who spoke at this historic meeting, by voting to accept the Tesco planning application and rejecting the one from Sainsbury's.

Such a shameful and clearly suspect decision was made even more despicable by the vocally contemptuous dismissal of the genuine and significant public

support for Sainsbury's, gathered outside the Town Hall prior to the meeting, by the female spokesperson for Tesco when she addressed the committee.

Her distasteful comments spoke volumes for Tesco's apparently official disregard of public opinion when it does not suit its objectives.

One can only fervently hope that

Sainsbury's will appeal this perverse decision and not fail its hundreds of loyal supporters here in Seaton by walking away from this fight.

Seaton's public support deserves nothing less from the supermarket of its choice.

## Outstanding

**EDITOR** — I would like to write a letter, not about Willoughby House, not about Seaton Town Council, but about the generosity and kindness of the people of Seaton and district.

The Seaton and District League of Friends held its annual summer fete on August 8th and raised the outstanding total of £2,100. This amount is due entirely to the wonderful volunteers who ran the stalls and the very generous public who ensured that nearly every stallholder was sold out.

This money will be used for the extensions planned for Seaton Hospital namely a new and extended physiotherapy department and a new leg ulcer clinic.

Due to an accident I was unable to attend the fete so I thank you all for continuing to help our local community hospital.

## 40 years on

**EDITOR** — Nearly 40 years ago a feasibility study into the development of the Axe estuary, harbour and marshes was published.

Proposals included dredging areas of the marshes to form a boating lake with islands. Permanent housing and high class holiday homes would be built around lagoons.

There would be a freshwater fishing lake, a restaurant at the river mouth, improved access for sea-going craft and a new sailing club.

It all seemed a great idea at the time. Nothing ever came of it of course. Will our successors have to make the same confession in 40 years' time about the lack of progress in regenerating Seaton?

## Pleased with an outcome

**EDITOR** — As an onlooker from Colyton of the ongoing row over the purchase of Willoughby House I am pleased to see the outcome whether it be the right one or not.

Have you not noticed the general public are fed up with people in authority, voted in by us, using and abusing taxpayers' money without consultation and so often in secret?

If the council had approached this matter with total transparency in the first place with consultation with the people of Seaton the outcome may have been totally different.

As far as naming Peter Burrows, perhaps he was the only councillor who had the sense and foresight to see that the decision was wrong and more importantly made in the wrong way.

I believe the youth of Seaton have recently lost their centre so how about the same degree and urgency of attention being given to their problem?

Also, perhaps the logical procedure would be to offer to buy the existing building from EDDC. In case you have not noticed it does, after all say "town hall" already on the facade!

# Congratulations to youths

**EDITOR** — Congratulations to Honiton young people on their plans for a Honiton Summer Festival at Allhallows Field as reported in *Pulman's View* on September 8th.

I feel sure many seniors and others will want to support this initiative. Though there is a tradition of celebrating Carnival in October there is also a precedent for a Honiton summer celebration from over 70 years ago.

On May 12th 1937 the Coronation procession ended at Allhallows Field and was followed by a programme of sports and entertainment, dancing and

a huge communal tea in several large tents. Could one mobilise as much voluntary effort today?

I recently saw a remarkable film of this event, courtesy of a local family, which shows the prominent part played by many young people of the town, today's senior generation.

Later that evening there was even dancing in the street. It seems to have been very orderly!

On March 20th 1938 mayor Juanita Maxwell Phillips urged a packed audience at the Dolphin Hotel to instruct the council to acquire Allhallows Field from the public

school. She said: "It is our responsibility as a town to ensure the young people of the future have every facility for keeping healthy and fit."

The field held one of its biggest and best outdoor fun events, a Summer Carnival, on July 31st 1938. This featured Juanita's Pageant of Honiton's History by over 100 actors in period costumes.

The press reported: "Large crowds watched the children's parade, a gigantic affair of nearly 300 entries taking part" and added, "few towns could stage a spectacle on such an ambitious scale".

With today's TV, internet and other popular diversions it might be unfair to expect anything similar but it will be good to see Allhallows Field being used.

If it is as entertaining and well run as the events of over 70 years ago it will be a great success.

Exhibits of these and other events can be seen at Honiton Library. We hope to arrange a public showing of the 1937 film.

## Heartened by response to my criticism

**EDITOR** — Having read *Pulman's View from Seaton* (September 15th) I am quite heartened that my intended tongue-in-cheek criticism of the bible exhibition seems to have confirmed that the only people likely to have been offended by my remarks were those that visited the exhibition and were already devout bible readers.

I cannot argue the point that our laws, education system, etc. uses the bible as its rock solid foundation, but

then again if anyone has to swear on oath in a UK court the bible is not the only option given.

I am neither uncompassionate or intolerant of others. In my opinion most of the world's problems are caused by people having very staunch religious beliefs and following messages the various "bibles" use as their foundation. These are most likely to take extreme views and actions.

The reality must be that various fascinating events described in the Christian bible may be record of natural disasters or scientific fact, the authors of biblical scriptures are men, non of which are likely to have actually witnessed any "event" and been lucky enough to have been educated into writing what they had witnessed?

Is it not enough to just marvel at the wonders of nature. Jesus Christ

certainly did exist and must have been an amazing person

However, to be compassionate and tolerant we all must accept that the world has many different religions, beliefs and images of what physical form their Gods should take.

I just don't like people pushing their beliefs on others, and diminishing those that don't share their beliefs.

Richard David  
by email

## Only a personal thing is contradiction

**EDITOR** — Concerning Richard David's assertion (*Pulmans View*, September 1st) that being a Christian is only a personal thing contradicts biblical teaching.

Everyone who has met the

requirement of Jesus's teaching, John chapter three, verses three to seven, "you must be born again", has an experience to be shared with others.

A call to evangelise was Christ's last message to his disciples and this is the

primary calling for a Christian. Christians ought to be committed to evangelism in every sector of society. It is often difficult but the Holy Spirit helps us. The witness of the Christadelphians has to be questioned

since they deny that God is three persons: Father; Son and Holy Spirit. But that is another matter!

## Cottage row: human rights issues raised

**EDITOR** — Mr Robert Burrough of Membury will not be taking his dispute with the East Devon District Council to the European Court of Human Rights in Strasbourg as it is not the place to settle a planning matter.

However, Mr Burrough does challenge the EDDC as to what lawful authority they have to direct him to ignore his statutory and common law obligations to ensure that buildings on his land, in this case sited on a public thoroughfare, are structurally safe and secure from unauthorised entry.

What is now clear is that the EDDC's planning policy that "requires the owners of such buildings (Bewley Cottage in this case) to allow them to revert back to part of the landscape" is likely to be without lawful foundation and that matter has yet to be decided by any court.

Lord Richards's ruling in the Court of Appeal was limited to ruling that I, as a passer by on a public thoroughfare, had no standing in ensuring that safety is established and maintained on that thoroughfare, and that is the decision I will be taking to Strasbourg citing a breach of Article 6 of the Convention of Human Rights.

The wider implications of Lord Richards's extraordinary decision is that no "passer by" on any public highway would have such standing presumably until they were injured. This is not sustainable.

# Town was robbed and poll of local areas is called for

**EDITOR** — On Tuesday last week, the whole of Seaton was robbed; and to blame was the immense wealth of Tesco, and the greed and lack of principle of East Devon District Council. Ignoring the clear wishes of Seatonians and several excellent speeches, the Development Management Committee refused the Sainsbury's application on the flimsiest of technical grounds. They then approved the monstrous Tesco proposals, despite clear flaws in the traffic assessment and a strange lack of detail about the infill process.

Admittedly, the Tesco traffic assessment had been passed by Devon County Council; but its major flaw (it left out weekend traffic) was clearly explained (in three minutes) by a professional traffic engineer.

Nevertheless, the EDDC officers made no comment or correction, and their lead was meekly followed by the lay members of the committee.

Needless to say, the Sainsbury's traffic assessment DID include weekend traffic, so that it seemed a small Sainsbury's would generate almost as much traffic as a Tesco three times the size.

The other nonsense was the Tesco infill strategy.

Older Seatonians will remember that the whole of the holiday village site (now owned by Tesco) needs to be lifted up by eight feet to meet modern flood regulations.

The previous owners (Liatris) wanted to truck in a million tons of rubble to do this, using 90 lorries a day for five years.

But this caused such an uproar that they dropped the idea and sold the site to Tesco.

Tesco talked vaguely about bringing 75 per cent of the infill in by sea, with only 25 per cent coming in by road. However, we heard that no studies of the marine route have been done, nor

have any licenses been applied for — a process that could take years. But EDDC were not worried by this highly significant omission.

The whole infill process would need yet another planning application from Tesco in about two years' time; but this did not hold up approval of the overall application.

This is the nonsense item. It is like getting permission to build something on the moon, even 'though we haven't designed the rocket ship to get there.

This is so irrational that there must be another interpretation — and I think I know what it is. I hear that an Axmouth bypass is being planned: from the sharp bend near the church, going north along the river and up through the caravan park to join the road again beyond the village.

This bypass will allow the large rubble trucks to roar around the village without knocking down any fragile buildings.

They can then fill the Tesco site by road without bringing anything in by sea.

Axmouth will then become the preferred heavy duty route into Seaton's enormous Tesco. Other villages on the rubble route — like Musbury and even Axminster — will experience a large and possibly permanent increase in traffic.

We know what Seaton thinks; but this development has implications for the whole surrounding region.

Your publication covers this area, and so I suggest you carry out a poll of your readers in different towns to see what they think about it — as you have done in the past. EDDC officers may not care what we think; but elections are coming, and the voice of the people will have influence with elected members.

## Emotions vs motions at planning meet

**EDITOR** — All too transparent this time?

Do not be fooled by the apparent support shown by Councillor Wragg at the planning meeting of September 15th.

I, and many others, were grateful and hopeful when he said that he was disappointed that the people of Seaton had not been listened to.

I later realised that Mr Wragg knew that the vote against Sainsbury's was

already covered, and so was able to lean out and gather substantial personal and political points for the Liberal Democrats.

So the real opponents that day would seem to be EDDC and Tesco vs Sainsbury's, Lib Dems vs Conservatives and EDDC vs Seaton.

I was so proud of the powerful and fearless arguments from Sandra and everyone who had the courage to speak out. It was obvious that while

we went through the emotions, EDDC was just going through the motions.

The simpering and evasive Miss Chiswell must have turned even EDDC's stomachs as she read out her empty offering for Tesco. But hey, she didn't have to try, did she? Look out, Tesco morph their sites as they go.

E Watson's letter in *Pulman's View* that day would have been a real shot in the arm for a town council who must have felt sorely tested.

There are those who knew when the council was unable to attend, let alone defend, but kept suspiciously quiet.

Sandra's three minutes of free speech was greeted with loud applause, so now we all know how it feels to have our hands tied while others use their power against us, do we?

# Academy of cycling tour local schools

BY ANDERS LARSSON  
anders@tindlenews.co.uk

A number of schools in the area enjoyed assembly visits by South West Bike Academy members before and during Tour of Britain week.

The academy was formed in 2006 and works with Team Plowman Craven-Madison, aiming to develop promising youngsters into fully-fledged professionals.

Among schools visited were Honiton Community College, Beer Primary School, Seaton Primary School and Membury Primary School.

In addition, Musbury Primary School and Dalwood Primary School visited Seaton and Membury during the special assemblies.

Councillor Stuart Hughes, Devon County

Council Cabinet member for Highways and Transportation, said prior to the visits: "These visits are great for the children as the excitement builds up for the start of The Tour of Britain.

"The pupils will be meeting some of the best young riders in the south west and it brings cycling and cycle racing to life for them.

"It could help create a new generation of cyclists and, you never know, it may even inspire a youngster from Devon to ride in The Tour of Britain one day."

South West Bike Academy manager David Walters added: "We're proud to represent the south west as a cycle racing team.

"I'm delighted that we're able to help enthuse local children about cycling as a pastime, a sport and a form of transport that has so many benefits."

## ■ Faraday Stoves

The nights are drawing in and there's an Autumnal chill in the air. It's time to think about snuggling down in front of a cosy wood-burning fire. If you already have a stove there are a few maintenance procedures that should be undertaken before the season gets underway.

- Your chimney or flue should be thoroughly swept. An aid to eliminating tar or creosote build up in your flue is regular use of a 'Chimney Cleaning Log' or 'Hot Spot Flue Free'. However, if you burn nice dry seasoned wood, this shouldn't be necessary. This can be checked using a moisture meter.

- The glass and rope seals on your stove doors should be checked for damage and replaced if needed.

- The firebricks in your stove should also be checked

for damage.

Faraday Stoves your local stove and chimney experts can provide you with all your maintenance products, alternatively they can service your stove for you and check the safety of your installation. If you haven't yet got a stove with all the comfort and warmth that it can bring, it's not too late to get one installed before Christmas. Give Faraday Stoves a ring and ask for a site survey or pop out to the showroom and see the wide range of stove styles now available.

## The puzzling dead body in the garden!

**NOW** here's a birdy puzzle! A few early mornings ago my wife, Charlotte, returning from exercising her hunter, informed me that there was a dead bird lying in the drive and, furthermore, it had very long green legs!

Now we are sited on the summit of a steep hill and, apart from my small garden pond, a mile from the nearest substantial water, so it was with a considerable degree of surprise that I discovered the corpse to be that of a juvenile moorhen.

The body was still slightly warm and the eyes bright, but there was not the slightest sign of injury or damage, so how on earth did it land up in such an unlikely situation?

The body was, however, slightly flattened as though it had fallen from a height so I can only conclude that the unfortunate bird had been snaffled by a buzzard which, flying over, had lost its grip and dropped its breakfast! A juvenile moorhen is relatively light and would present an easy target for a raptor such as a buzzard, or even an adult hen sparrowhawk which is quite capable of taking a woodpigeon.

Still on the bird front, there has been some stunning migration action around Beer Head and the Axe estuary over the past few weeks, including the sighting of a black tern at Blackhole Marsh. This was a juvenile and was seen for about an hour. Now only rarely spotted on passage migration, there was a time, perhaps 150 or so years ago, when black terns nested on the east coast marshes and though not common, were not considered an extreme rarity. Other birds seen have been wheatears, whinchats, redstarts, spotted flycatchers and even a pied flycatcher which was noted and photographed on September 7th.

At sea a single sooty shearwater was seen and also 35 Balearic shearwaters, some great skuas and a sanderling, while an unseasonal Iceland gull also appeared for a couple of days on the estuary. The rare pink grasshopper which was found at Seaton Marshes by 11-year-old Daniel Tate, made the national press and television. Whilst the very occasional pink grasshopper occurs from time to time, in this case the colouring was so bright and intense that it proved extremely unusual.

How kind neighbours can be! Having read my comment about elderberries and wine-making, a friend turned up a few days ago with about six pounds of elderberries which he'd garnered whilst gardening and wondered if I'd like them for wine? You bet! It took me an hour or so to strip the berries with a fork, but they are now gently fermenting and ready to be filtered into a demi-john prior to bottling.

Incidentally, wine yeast, once readily available from Boots, was finally obtained from the cider press company, Vigo, who are sited at Dunksell on the edge of the aerodrome. A very efficient company they have a wide range of cider making equipment, including small 5.3-litre presses for £125 up to a 90-litre hydropress which will set you back £950! They also stock crushers, straining bags, fermentation tanks and all the equipment required to make cider and wine and, in addition, have a wide range of books dealing with the storage of juice, cider, fruit and vegetables, cider making and even growing vines to make wine. If you would like further information or a copy of their excellent catalogue go to [www.vigopresses.co.uk](http://www.vigopresses.co.uk) or call them on 01404 892101.

Now, with the elderberry wine under way, I'm about to take a bag of sloes from the freezer to prepare sloe gin and vodka! The only problem is that one has to wait so long before sampling!

## An authentic traditional fayre Saturday, September 26th 2009

This years Fayre on Saturday 26th September will mark the 30th Anniversary of the revival of the Fayre in 1980. Held to commemorate an Ancient Medieval Fayre granted to the Lord of The Manor, Thomas Bassett, by King John in 1207, The Fayre was first held in the grounds of The Old Manor from 1980 to 1990 and since then at Springfields. Over the years the Fayre has raised in excess of £100,000 for village amenities and local youth organisations. Each year the village is invited to turn the clock back and re-enact a Medieval Miichelmas Fayre. Many villagers dress in costume and take part in a colourful procession through the village. The procession is led by the Exeter Morris Men, with the Mayor and His Lady preceded by the Mace Bearer. On arrival at the Fairground The Mayor and Burgesses are announced by a Fanfare and the Mayor declares the Fayre open. The afternoon is filled with Medieval games, craft demonstrations, archery, quintain, hoop-la, skittles, gooseyola, greasy pole and a falconry display all enjoyed with cider, elderflower wine or beer. The fayre always tries to maintain it's medieval setting. Goods are sold under tents and various produce is available, honey, pan-

cakes, ram-roast, pottery, leather-and of course tea and cakes.

Car parking is adjacent to the Fayre field and to preserve the medieval atmosphere no cars are allowed on the field. Entertainment throughout the afternoon is provided by the Woodroffe School Early Music Group, the Exeter Morris Men, Pipe and Tabor and Hurdy Gurdy players. The highlight of the afternoon is the Mummers Play performed by local people. Numerous medieval style skills are on show with metalwork, bodging, thatching and archery. The site is spectacularly situated overlooking the Axe Valley and takes place by kind permission of Henry and Wendy Pountney. The Fayre is successful as a Community Event because of the involvement of so many local people. It's main benefit being involving the whole community - a mixing bowl bringing new residents, old and young together for an entertaining and enjoyable day whilst raising vital funds for the village. After a gloomy summer we are hoping for fine weather says Mayor, Colin Pady. It is always a gamble arranging an outdoor event but we have adopted the Motto -

*Faint Heart Never Run A Fair - Lady!*

View from  
the churches

**S**CHOOL term has well and truly begun and attention is turned to harvest — always a good celebration.

We are constantly thankful for the beauty of our environment, the peacefulness of our lives, the productivity of our soil, the fruitful labour of our farmers and for what is generally still an assumption that there will be food in the shops.

In other places, it is very different. We should also remember those people and places of ruin and failed crops and real starvation. In Karachi last week, women and children have died while trying to procure basic food supplies from an aid agency, and the long term outlook for millions is very bleak.

So our celebration includes these global realities and Judith Roberts Associate Minister at Axminster hopes that all in our communities will remember the needs of others and take action for the very poor, both in prayer and in financial aid.

Linked with thoughts of harvest is a Westcountry conference at the Duchy College Stoke Climsland on Friday, October 23rd from 10am to 4pm on the theme of the Changing Face of the Countryside. The Conference is provided by the Dioceses of Exeter and Truro and the local districts of the Methodist church. Bookings may be made with Susan Tucker on 01822 860177. It costs £10 including coffee, lunch and tea.

Harvest festival services still to come are at Bucknell and Combe Raleigh on Sunday, September 27th at 11.15am and 6.30pm respectively. On the same date at 11am it is the turn of St Andrew's, Colyton, where

the retiring collection will be for the Farm Crisis Network, as will the proceeds of the sale of harvest produce. Axmouth and Uplyme share the same Sunday, the first at 10am and Uplyme at 11am followed by a harvest brunch.

While local Methodist and Baptist churches have been welcoming new ministers, local Anglican congregations at Uplyme and Axmouth, and the Axminster team churches — which cover from Woodbury to Chardstock and All Saints — are only too well aware that their parsonage houses are currently vacant owing to the departure of their last incumbent. Uplyme and Axmouth hope to hear in October news of a new appointment there and for Axminster it will probably be early in 2010.

Since the start of the current year Church of England church councils with a gross income of more than £100,000 have had to register formally with the Charity Commission. An earlier estimate of the number needing to register was 2,000 and it is reported that so far only half that number have applied. Under the Charity Commission rules, obtainable on the website, [www.parishresources.org](http://www.parishresources.org), a church council's income is deemed to include all giving to the church, wedding and funeral fees, income from fund raising events, grants for repairs and interest on reserves. Parishes have been advised that their traditional activities assure their eligibility for charitable status. Besides parochial church councils, local ecumenical projects also have to register.

This column has from time to time over recent months reported on the

restoration work on the West Window of St Andrew's Church, Colyton. Indications are that this work represents the first major repair since the disastrous fire at Colyton in the autumn of 1933. The master glazier in charge of the work, who has addressed several meetings at the church about the progress of repairs, has been Andrew Johnson who is a regular worshipper at Exeter Cathedral. It has just been announced that Andrew has recently attended a Ministerial Selection Conference and he has been accepted for training as a deacon. Traditionally, deacons hold together a liturgical ministry with pastoral and practical care, especially regarding the poor and the sick. Andrew will become a self-supporting minister continuing with his stained glass work, and probably his other roles at Exeter Cathedral. No doubt his ordination will bring a new dimension to his skills as a glazier. Audiences at Colyton's church have in the past been enthralled by his interpretation of the biblical scenes depicted on the West Window. They are equally fascinated by the displays and explanations of the work of restoration, depicted in the north aisle of the church, near the organ.

Last Sunday, the bells at St Andrew's were rung a second time in the afternoon — first for the carnival songs of praise on the church lawn, where Lyme Regis Town Band provided the music, and then again to mark a very special birthday for the Captain of the Tower, Dennis Moss, who has been ringing for more years than he wishes to remember! Many thanks Dennis and all your ringers.

## SEA SPIRIT

### Baptism of five people in the sea

**FIVE members of Seaton Baptist Church have been baptised in the sea.**

Reverend Simon d'Albertanson, the new Pastor of Seaton Baptist Church (SBC), was in charge of the baptism service on Sunday, September 6th.

Abi Stacey, Jane Johns, Louise Elliot, Simon Smith and Andy North had asked to be baptised in the sea.

"I'm doing this to demonstrate my faith in Jesus Christ," Abi said before

the service.

Louise said: "I didn't feel the cold but afterwards I just felt so clean, it was an amazing experience."

Reverend d'Albertanson explained: "For Christians, baptism is an important milestone as they follow the example of Jesus."

"It's loaded with symbolism, the falling backward links to the Christians' decision to turn away from an old life and begin again with Christ."

The church celebrates its fourth birthday next month and members meet each Sunday morning at Seaton Primary School at 10.30am.

There is a crèche and activities for children and young people.

On September 27th, the church will hold a special service as part of a nationwide initiative with other churches to celebrate Back to Church Sunday, an initiative to encourage those who wouldn't normally come to church to give it a try.

## 40 members to meeting

OVER 40 members and six visitors were welcomed at the September meeting of Awliscombe WI.

Rosemary read the minutes and correspondence including the group meeting at Broadhembury and the autumn council meeting at Torquay.

Thelma was thanked for arranging the trip to Shoppys Cider Factory, near Taunton, and the mystery trip to the Passage Inn at Kingsteignton on a lovely evening in August.

The speaker, Tom Coleman, of Clyst Hydon, brought along his hairraising slides and gave an impressive talk on his three-week trip to Peru, travelling down the coast and climbing to the Inca Fortress of Machu Picchu at the end of the famous Inca Highway. He was thanked by Jill Leonard.

Flower of the month was won by Joyce Edwards and she also had first place for her piece of pearl jewellery. Margaret Pymon was second and Pam Chown, third. Raffle winners were Jean Pyle and Betty Reed. Tea hostesses were Pat Burt, Pauline Ford, Mandy Foster and Sue Smith.

The evening concluded with a quiz organised by Julie Spiller and a poem.

# Ladies learn how water can aid lives in Tanzania

**THE first speaker for Phoenix Ladies after the summer break was Neil Whiter, who gave a most interesting talk and slide show on WaterAid.**

Members were shown some deprived areas such as Tanzania where the women would spend a great deal of their time simply fetching water which would sometimes weigh up to 20kgs. The ladies tried just 12kgs of water in a similar container and we could hardly move it! The people would often have to dig a new

well annually. Eighty per cent of their sickness and deaths were attributed to contaminated water.

This worthwhile charity was founded in 1981 and tries to be non-political. With the time saved by having a clean, local water supply the women were able to use their time more productively and the whole village would get involved with the planning and construction of the wells. Simultaneously latrines would be built to help prevent contamination and to give a degree of privacy. Basic

hygiene, education and maintenance were also provided.

Money is raised by sponsored walks, cookbooks, concerts, sports and marathons. Yet another aim of Wateraid is to raise awareness and to give as many people in the third world access to water and sanitation. Providing a well costs as little as £15 per person, so it is not terribly expensive by our standards. Clean water can provide millions of communities with a brighter, healthier future and can transform their lives

from daily drudgery to creativity and learning.

After tea the group voted to have the air ambulance as the main charity. The Christmas lunch will be at the Westcliffe Hotel, Sidmouth on December 14th.

There will be a shopping trip to either Bath or Southampton on Monday, November 2nd.

The next meeting will be on October 14th at 2.30pm when the speaker will be Dermot Knox giving his travel tales.

## Enthralling afternoon

**THE Honiton Afternoon WI September meeting as of previous years was organised by the members.**

Once the business had been conducted by the committee then the members continued for the rest of the afternoon.

The group enjoyed a wonderful slide show from Sue Horswood entitled Touring New Zealand with a Campervan showing all the beautiful wild alpine flowers of the countryside plus magical scenery which enthralled the members.

The raffle also added a surprise as there were so many prizes all donated by the members.

Afternoon tea was also served by the members. The group hopes its next meeting will be held in the old venue of The Methodist Old Schoolrooms, but the secretary will inform all members.

## Poster first

**AXMINSTER Operatic Society was honoured to be awarded runner up in the Regional Poster Competition for 2008 with its poster for Hello Dolly!**

The awards were made at the annual NODA South West Regional weekend held at the Palace Hotel, Torquay, over September 4th and 5th. Thanks go to Scott Robson who designed the poster.

Axminster Operatic Society is now rehearsing for its next production, My Fair Lady, which will be performed at The Guildhall from November 18th-21st.

Tickets will be available from The Archway Bookshop from October 19th on 01297 33595.

# Strong opposition to district council's plan to charge for home safety alarm

**MEMBERS of Honiton Senior Council expressed strong opposition to the East Devon District Council plan to introduce a charge to some people who carry Home Safeguard Alarm pendants.**

A well attended meeting at the British Legion on Monday, September 7th, saw almost 100 percent present agreeing to fight the charge - which is believed to be £2.50 per month.

Former Honiton mayor Joanna Bull

made a powerful defence of the present free system.

She said: "This gives us power - the power of life particularly people living alone - and it is a disgrace that politicians should even consider taking away that power or charging for it."

Members heard present pendant carriers aged over 80 would have to pay. The only exception will be to older people on benefit.

Senior Council secretary, Tony Simpson, said he had heard

councillors suggesting that if £2.50 is introduced it would be 'small' or 'modest'.

He has written to east Devon councillor Jill Elson reporting the attitude of the Senior Council members and also the manner in which the charge decision has been taken.

Was it made by EDDC or at a higher level? And why have groups such as the Senior Council representing the people from the age group most affected, not been consulted?

Honiton's representatives will raise the matter at the AGM of the Senior Council of Devon on October 1st.

Guest speaker at the meeting was Caroline Lee from Devon LINK, an organisation funded by the Department of Health but independent as it offers advice on health and social care services for all ages.

She appeared surprised to learn of the planned change to the Home Safeguard Alarm system and intends to learn more about it.

## ■ The Koppers

The Koppers residential home of quality is set in one of the most beautiful villages in Devon, Kilmington. It is a privately run 24 bedded home specialising in the care of service users that suffer from Alzheimer's/Dementia, Learning Difficulties and other related problems. We provide a safe and secure environment for both sexes over the age of 65 and ensure that all the care and support to each service user is in accordance to their specific individual needs. We value each and every individual who comes to live at Koppers. All service users are assured that they will be treated with respect and dignity according to their individual needs and wishes.

Our aim at Koppers is to promote independence, privacy and dignity within a therapeutic and caring environment. The home is managed by its owners who have long experience in the care of service users with mental health needs. With the help of dedicated and caring staff, the residents receive care over 24 hours in a very homely and secure environment.

All rooms are close to bathrooms and toilets. Each room has a washbasin, good ventilation, natural and domestic light and is maintained to a comfortable temperature by radiators. All rooms are fitted with a call bell system and all accommodation complies with the Minimum Standards. Service users are encouraged to bring personal belongings into the home; pictures, photo's to hang in their rooms and any furniture or ornaments to personalise their rooms, thus enabling a physical link with their home to be maintained.

The gardens and grounds at The Koppers are a pleasure; where residents can enjoy lovely lawns, flower beds, shrubberies and terraces.

An activities organiser provides a range of activities including outings, a walk in the village, including wheelchair users as well. We pride ourselves on our excellent home cooking, we provide nourishing and varied four weekly menus from Summer and Winter. Meals are prepared from fresh produce purchased locally. Special diets are catered for.

Come and see for yourself we are proud to show visitors around. If you wish to see the best in residential care for the confused elderly just telephone to arrange a visit. We understand that people like to have a talk, well before they decide to place a relative at Koppers, so you will not feel under any obligation. We look forward to meeting you.

## ■ Thistlegate House

Thistlegate House is a splendid Residential Care Home which can only be truly appreciated by a personal visit. The Lutyens inspired Arts and Crafts style architecture, the spacious traditionally decorated accommodation, the relaxed ambience which is immediately apparent and welcoming are all special features of this exceptional home which is as far removed from an institution as your own home would be. The extensive four acre grounds include formal, landscaped and kitchen gardens as well as a natural wooded area full of bluebells, daffodils, primroses, snowdrops and other wild flowers. Our full time gardener maintains the gardens and grounds together with the numerous flower beds and borders for which he produces thousands of bedding plants from seeds each year in our range of greenhouses and potting sheds. The kitchen garden is of particular interest to him where he produces fresh seasonal vegetables for the table and our clients enjoyment.

The gardens are a haven for wildlife with dozens of visiting species of birds which includes a number of pairs of buzzards which soar high above the house, pheasants, badgers as well as deer frequently visit our gardens.

We are currently producing a new Internet Web Site which is constantly being reviewed, revised and updated and includes a wealth of information and images to assist anyone who is considering Thistlegate House for elderly residential care. For further information please visit our Web Site which is currently under construction or alternatively contact Mrs. June Webb or Mr. John Corney who will willingly discuss precisely how we at Thistlegate House may be of help to you, telephone 01297 560569 or visit our new website at [www.thistlegatehouse.co.uk](http://www.thistlegatehouse.co.uk)

## ■ Honiton Hearing

### Digital Hearing Systems provide unobtrusive, cosmetically appealing devices

Hearing loss is commonly associated with advancing years, and most people start to notice some deterioration in their hearing as they mature in years. Current statistics show that around 5 million people in the UK have a hearing loss which may benefit from a hearing aid, but only 2 million have instruments actually fitted.

Colin Eaton a registered Hearing Aid Audiologist and hearing aid dispenser from Honiton Hearing explains "Good hearing is something we all take for granted, but it actually requires special attention to test, prescribe and advise those with a loss of some kind. Sometimes we just need to advise on hearing protection, both at work and play (motorsports, music and shooting). Some people are worried by the old bulky unattractive hearing instruments, but realistically with the advent of the digital systems, this is simply not true," he said. "The Oticon Dual, the G N ReSound Be, the Widex Passion and the Phonak Audeo Yes, are all cases where the designers have looked at the instruments to provide a miniature, unobtrusive, cosmetically appealing device, which incorporates the latest in digital technology. Several of the instruments available now are blue tooth compatible, which means the hearing aids can be used as a hands free device with a mobile phone, or ipod connection or even to your TV or landline

phone.

Because we use the latest systems to verify the fittings we can see that the speech is actually amplified to it's optimum and include the client in the fitting process, which leads to more accurate and successful outcomes, which is something we pride ourselves on."

Honiton Hearing Centre offer an independent service with traditional family values, either from our premises in New Street, Honiton or for the less mobile in the comfort of people's own homes.

## ■ Tudor Cottage, Axminster

Tudor Cottage is a long established residential home for the elderly in the heart of Axminster. They care for those who elect to enter a caring and welcoming environment because they no longer wish to remain at home or because they are unable to do so because of failing health. Their environment is such that they can provide care for those in need of little more than reassurance that there is someone available 24 hours a day to those who have high care needs. They aim to provide resident centred care and to promote independence, choice and dignity. Their stable and experienced staff team does this by providing a high standard of personal care and providing an activities programme which reflects each resident's interests. Tudor Cottage is regulated by Core Quality Commission and they aim always to exceed the national minimum standards required by the regulator.

Since August 2008 Tudor Cottage has been owned by Mrs Sandra Joyce who also owns two other care homes locally. Both these homes have been graded as "excellent" by Core Quality Commission.

## ■ Wiltshire Farm Foods

### Delicious meals to your door - for less

The new autumn/winter 2009/10 menu from Wiltshire Farm Foods

We've had a busy year at Wiltshire Farm Foods – our chefs have been coming up with lots of tasty new recipes to help keep you warm over the colder months, all of which can be found in our exciting new Autumn & Winter 2009/10 menu. We've also been looking at how we can help those customers who may be feeling the pinch by freezing our prices, without compromising on the quality and service that you've come to expect from Wiltshire Farm Foods.

We're delighted with the results, and think you will be too – we've even reduced the prices on a selection of our meals. Our team of chefs have developed some mouth-watering new dishes – our Head Chef, Phil Rimmer, is happy to introduce them:

"We've got some tempting new dishes to warm you up this winter – when it's cold outside, you can't beat our creamy Beef Stroganoff or Hearty Winter Vegetable Hotpot, filled with chunks of sweet potato, carrot and celeriac in a cheesy sauce. If you love fish, our new Salmon & Spinach Mornay is superb, and we haven't forgotten the puddings – our Luxury Dutch Apple Crumble is sure to brighten up the dark evenings. My personal favourite this year is the Gammon in Cumberland Sauce, finished off with our new Luxury Stem Ginger Pudding – delicious!"

There are over 220 tempting options to choose from in the new brochure, including our traditional favourites, lighter bite mini meals, perfect puddings and all our great value dishes too. We also have a range of meals designed for special dietary needs – offering lower fat, reduced calorie, higher fibre, moderate salt, diabetic and gluten free and other

'free-from' options.

Meals are delivered free of charge and direct to your door by our caring, CRB police checked, reliable drivers – if you wish, the drivers will even pop the meals in the freezer for you. Whenever you're ready, you simply heat your meal from frozen in an oven or microwave and enjoy! Order as often or as little as you like, every week or as a special treat, the choice is yours.

Keith Dominey from Wiltshire Farm Foods in Blandford comments: "We're so excited about our new Autumn & Winter menu, with great new dishes and our price freeze promise, you can eat better for less. If you need help choosing from our wide menu, why not choose the Taster Pack or Weekly Selection Pack – both offer a selection of our most popular meals & desserts - the perfect introduction to our customer favourites. Ordering is easy on the phone or the internet, and Wiltshire Farm Foods will deliver to your door come rain, snow or shine. Give my team a call on 01258 480180 - we're happy to take your order or answer any questions you may have."

With over 17 years' experience, Wiltshire Farm Foods has earned a reputation for delivering a first-class service, winning the prestigious Queen's Award for Enterprise, as part of apetito Ltd, for outstanding innovation in the provision of tasty and nutritious meals.

So whatever the weather this winter, you can be sure you'll find the perfect meal to suit your tastes and dietary needs, as well as plenty of options to try something new, different and delicious from Wiltshire Farm Foods.

## ■ Regional Hearing

### The Importance of regular Hearing Tests

**T**he NHS and RNID agree that regular hearing tests for people over 55 would be hugely beneficial and give people an average of 9 years with a better quality of life. Many factors can combine to reduce hearing ability over a period of time, often so gradually we don't even notice. Hearing loss is irreversible so it is important to have it checked professionally as soon as you think it may have deteriorated. The more your hearing declines the more you will eventually be asking a hearing instrument to do in order to compensate.

#### The private solution

Regional Hearing Services is a private company independent of the public sector, with a network of branches throughout the UK as well as dispensers able to address hearing problems for people in the comfort of their own home.

Hearing tests are provided by the private industry free of charge. Recently, in line with declared government initiatives aimed at "prevention is better than cure", Regional Hearing has stepped up its capacity at all local levels. As well as working directly with the NHS in areas around their branches, Regional Hearing Services have built strong ties with leading independent Opticians.

#### Free Screening

Just as you might have regular dental check-ups or eye tests, you should also arrange for a hearing test. Screening of your hearing takes just 5 minutes. If you are found to have any hearing loss, a full digital hearing assessment can take up to an hour, and is painless and straight forward. A hearing aid audiologist can determine the type of loss you suffer from and suggest the solutions available to you.

To speak to a hearing aid audiologist in your area call your local Bennett & Rogers or Pullen & Symes Opticians.

## Daley Knight

**P**eter Smart started his career in show business in 1977 as a Bluecoat based in Paignton. He then moved on to Butlins as a Redcoat for two seasons at the Skegness camp. From 1980 he worked summer seasons in Whitby, Morcombe and Croyde Bay (North Devon) where he met his wife (he's never been back!).

During the winter he toured the pubs and clubs with a cabaret act singing and doing impressions, it was at this time he became an Equity member using the stage name Daley Knight. This opened up TV and theatre and Peter did some amazing jobs including being on stage in village scenes with The Royal Ballet and also with the Russian Kirov opera when they visited the UK for

a short rare tour.

TV work included rehearsing the Price is Right when the late Leslie Crowther was the host and Crossroads, when he was a double for one of the main actors, riding a motorbike.

When marrying in 1986 Peter realised with a little persuasion from his new wife and mother that he needed to settle down for a while with a

"proper job". It took a while to agree, but in 1992 he commenced nurse training at Walsall Manor Hospital and Wolverhampton University. In 1995 he became Peter Smart RN.Dip.HE. and began to work as a full time nurse.

Now Peter has retired to live in Axminster, he has started to sing again and having worked in care homes as a nurse and on

many occasions singing for the residents, he has decided to bring his unique style to care homes in the area.

Peter's main aim is to share some fun and laughter and encourage the residents to join in with singing and playing simple percussion instruments.

# PROPERTIES OF THE WEEK

## HAWKCHURCH - £750 PCM

CHAMPIONHOLMES is pleased to offer a two bedroom detached bungalow in rural location on the edge of Hawkchurch village.

The front door leads into the Lobby, with door through to the Hall. Off the hall can be found the Bathroom with airing cupboard, and doors to the kitchen, dining room and sitting room. The Kitchen has fitted cupboards, with space for electric cooker and space/plumbing for dishwasher. An oil-fired Rayburn gives additional cooking facility and some heating. Glazed double doors lead to the Breakfast/Sunroom, again with space/plumbing for dishwasher, with a door leading to the Laundry room with sink, space/plumbing for washing machine, WC, and the primary oil-fired boiler. The back door from the breakfast room leads to the garden.

The Sitting room has a working coal/woodburner, and sliding patio doors to the Conservatory, overlooking the garden has doors to bedroom two, and to the garden. The Dining room has doors off to Bedroom one, a double with fitted wardrobe, and Bedroom two, again a double, with fitted double wardrobe and chest of drawers. Doors lead to the en-suite shower room and to the conservatory.

Outside to the front is off-road parking for up to three vehicles. To the rear the garden, laid mainly to lawn has some herbaceous beds and apple trees, and a greenhouse and coldframe.

For further details please contact ChampionHolmes on 01297 20080 enquiries@championholmes.co.uk or visit our web site at www.championholmes.co.uk

## BRANCOMBE - £365,000

A rare opportunity to acquire this deceptively spacious 4 bedroom modern town house.

The property enjoys an enviable position in the highly regarded and picturesque village of Branscombe with its quaint cottages and immense character. Also close at hand is the highly popular and characterful village Inn, the Masons Arms, with an excellent reputation far and wide.

The property is situated within a short distance of the most delightful countryside walks, one of which meanders through meadow land leading down to the beach and sea at Branscombe beach.

For more information please call Fulfords in Seaton on 01297 24224.

## NR YARCOMBE - £1000 PCM

Millstock are proud to bring to the market for rental, a very special 4 bedroom farmhouse situated on the outskirts of Yarcombe with stunning countryside views but within a short distance from the A303, providing easy access into Honiton and Taunton.

This property boasts a large country kitchen / breakfast room with a Stanley oil range, together with a fitted oven, walk in larder and a utility room. The lounge has a beautiful inglenook fireplace together with an original bread oven feature in the dining room area. The ground floor study/playroom features a wood burning stove. The property also has a generously proportioned ground floor shower room/w.c. This lovely home boasts 4 double bedrooms, family bathroom, ample parking, an enclosed garden and beautiful countryside views.

For more information and to arrange a viewing please call Millstock on 01404 548787

## AXMINSTER - £139,950

MCKINLAYS Estate Agents are pleased to be marketing this well presented two bedroom terraced house enjoying far reaching views across the Axe Valley from the rear.

It is situated within close proximity to the town centre and its amenities and benefits from uPVC double glazing, gas fired central heating, an enclosed rear garden and allocated parking for two cars. The accommodation briefly comprises entrance hall, kitchen, lounge/diner with access out to the rear garden and two bedrooms and the bathroom on the first floor. ### Reasons to Choose Millstock Estate Agents High Service – Low Cost – No Compromise

We are committed to providing the highest level of customer service – combined with excellent marketing to achieve the best for our clients.

### But don't just take our word for it:

Customer Service, Customer Service, Customer Service. At last an Agent with their priorities right, Well done Millstock. *Mr M. W*

"Dear Sarah, my wife and I would like to express our thanks and gratitude to you and your team for the quite excellent service you have provided in assisting us to let our property. Your advice, knowledge, attention to detail and sheer professionalism have been exceptional. At all times you have taken pains to keep us informed. Please pass on our thanks to the rest of your team." *Mr K.A.*

"Just a brief note to say thank you for all your help and advise that you gave us during the time our house was on the market. It was thanks to your time and effort that the "sold" sign went up and it was also your careful negotiations that secured the price we had hoped for. It goes without saying that should we decide to sell again, we would without hesitation choose you as our agent." *Mr & Mrs H*

"A short note to express my appreciation to Millstock and Sue Smith in particular for the work and excellent service provided in respect of the letting of my house in Hale Lane, Honiton. All matters have been handled with professionalism, efficiency and friendliness and I am grateful to Sue that the outcome has been successful. I look forward to your involvement in the managing of my property in the future. With all best wishes and all success to Millstock." *Mr R. O*

**Please call 01404 548787 for a chat about what we could do for you**

*You could save thousands of pounds over traditional estate agent fees, maximising the value of your home.*

The Apartments were built to a very high standard including award-winning electric slimline heaters and draught resistant double-glazed windows. The Care-line system links call points in your bedroom, bathroom, kitchen, lounge and hallway to the house manager and in addition each flat has its own smoke alarm, camera entry system and security alarm. The communal areas, including the residents' lounge with kitchen area, laundry room, refuse room, lift and landscaped gardens, are all maintained and covered by the service charge. There is also a guest suite available. We currently have a selection of apartments available in the building ranging from £107,500 - £126,000. Please contact us on 01297 23939 for further information.

## Fun fun fun as Noah and the Whale promote new album at the Phoenix

NOAH and the Whale will be supporting new album *The First Days of Spring* with a gig at Exeter Phoenix in October.

The band caught everybody's attention during the summer of 2008, when their infectious hit *Five Years Time* became one of the anthems of the summer. The whistle based hook of the song was heard everywhere, and catapulted Noah and the Whale to household-name status.

New album *The First Days of Spring* sees the four-piece adopt a more melancholic sound than their cheerful sunshine pop of the first album, whilst still maintaining their ability to write catchy pop gems and encapture real emotions with their songs.

Noah and the Whale play at Exeter Phoenix on Saturday, October 10th. Doors open at 8pm, and tickets are £12. Call the box office on 01392 667080 for more details.

## Train Up For Transition at Monkton Wyld Court.

Practical Courses for 2009-10

The vision is for Monkton Wyld Court to become an exemplar of intelligent adaptation to the world's environmental, social and economic changes, where a diverse range of people can come to learn and share practical skills in sustainable living.

### SPIRALLING INTO DIVERSITY

September 11 & 18 - Two Linked Days FREE!

For this GreenPrints event we will be creating a pond and biodiversity garden area to enhance our Wyldside walk. This is a wonderful small-scale technique that allows us to create a wide range of microclimates and so a haven of biodiversity. The pond uses an indestructible waste product to create a rain-fed, multi-layered, aquatic system - home to marginal, floating, shallow-water and deep-water plants as well as frogs, newts, toads and other pond life. The spoil from the hole dug for the pond is used to create a mirroring mound that offers a variety of plant habitats ranging from hot and dry to moist and shady.

### GARDEN WORK WEEK

September 13 - 18 (Sun - Fri) - £50 fully residential

Spend a week working alongside Monkton gardeners in our organically-managed Victorian walled kitchen garden and grounds. Develop your skills and enjoy delicious vegetarian meals prepared using the harvest! Arrive Sunday evening for supper 6pm, leave after lunch Friday.

### WILD FOOD IN AUTUMN

September 11 - 13. £195 residential, £135 non-residential with Clio Wondrausch

Experience, Learn, Gather, Prepare and Feast Foraging from Countryside, Garden and Coast. Autumn's offerings are rich in beauty, and in nourishing and healing powers to help us through the winter. Learn to gather, preserve and prepare delicious nutritious meals, and which plants to give a respectful distance.

### INTRODUCTION TO PERMACULTURE DESIGN: SKILLS FOR SUSTAINABILITY WITH GEORGE SOBOLO

September 18 - 20 2009 (Fri - Sun)

£195.00 residential [£133.00 concessions]

£130.00 non-residential [£68.00 concessions]

Permaculture is a practical design system for sustainable living. It stresses working with nature and helps you identify steps for positive change for yourself, your family and your community. It is ethical, creative and inspiring and gives a blueprint for our survival and the repair of this degraded planet.

### MONKTON WYLD COURT OPEN DAY

Sunday, September 27th

Everyone is invited to celebrate the unveiling of Monkton's new Wyld Walk. The Walk, a nature trail around Monkton's grounds funded by the SITA Trust through the GreenPrints Programme, has been designed to allow visitors to explore and enjoy our diverse natural habitats. Stalls, delicious food.

Find out more about who we are and what we do!

We look forward to seeing you on the day.

### CREATIVE COPPICING 1 AND 2

October 14 - 15 (Wed - Thurs) & November 11 - 12 2009 (Wed - Thurs) FREE!

These two GreenPrints events will give participants the experience of regenerating some existing hazel coppice by returning to coppice stools, planting some new mixed ash, oak and hazel coppice, and creating a new willow coppice, below our reedbed system. This will be used to grow materials for willow weaving and drawing-charcoal production. As well as being productive, the areas of coppice will increase the biodiversity of our site.

### HOW TO SET UP A LOW IMPACT SMALLHOLDING WITH JYOTI FERNANDES AND SIMON FAIRLIE

October 16 - 18 (Fri - Sun). £195 residential £130 non-residential

This course is designed to introduce people interested in starting their own low impact land based projects. Jyoti and Simon have both been involved in setting up low impact smallholdings (Fivepenny Farm and Tinkers Bubble) and have many years experience in helping projects gain planning permission. The course looks at the possibilities for living on the land in your own self-built eco-home, what kinds of enterprises to consider, writing a land management and business plan, how to find land, how to apply for planning permission, and how to survive those exhilarating and exhausting first months.

### DOWSING - AN INTRODUCTION AND OVERVIEW WITH ALAN NEAL

November 6 - 8 2009. £195 residential £130 non-residential. Dowsing is a many-faceted art and encompasses a variety of different areas, each one a specialist subject in itself. In this 'overall view', once the basics have been mastered, students will be given as wide a perspective as possible of the subject as a whole so that they are fully aware of its many applications.

Areas touched on will include the detection of dowsable energies other than water (including leys, fault lines and lines of geopathic stress), map dowsing, archaeological dowsing, and dowsing in connection with healing.

The course will include as much practical work as possible.

### BOOKING IS ESSENTIAL FOR ALL COURSES

If you live outside the area we can offer bed and breakfast accommodation. You can book on any of these courses online by going to [www.monktonwyldcourt.co.uk](http://www.monktonwyldcourt.co.uk) or by telephoning 01297 560342. ## THE SOUTH WESTERN GAME AND COUNTRY FAIR ATTRACTS TOP CHEFS AND WORLD CHAMPIONS FROM COUNTRY SPORTS

THE South Western Game & Country Fair being held at beautiful Powderham Castle – September 26th & 27th 2009 – has attracted top regional chefs, regional fine foods and champions from country sports. The theme is 'A taste of the Country'. With angling – falconry – gun dogs – clay pigeon shooting – archery – gun-dog multi scurries (each for experts and beginners alike), Food Glorious Food, Craft Village and Trade stands. The all day action packed arena entertainment has a great line up this year – attractions include scurry driving and 'Out of Africa' falconry displays, fun with the mounted games teams, 'Chase the Bunny', Side Saddle and much more besides. And there are endless opportunities to try, buy and sample everything country. The South Western Fair is the largest regional event of its type so visitors from all over the south west can expect an exceptional day out.

The event has special themed villages, Falconry, Craft and Food. In the falconry village, many of the world's rarest Birds of Prey are on display, over 80 with their handlers – come together in a unique falconry village. The falconry village has its own dedicated arena where displays will go on all day long. The best in British craftsmanship is on display in the craft village with everything to enjoy from tradi-

tional chair making and beekeeping to barrel making and pottery workshops. Many of the arts and crafts on display will be available to buy.

The new 'Food Glorious Food' arena and country kitchen offers visitors the chance to taste and buy many different types of local and regional specialist foods. A 'taste of the West' has its own fine foods marquee where locally prepared meats, wine and cheeses appear alongside some mouth watering freshly cooked fare. The country kitchen theatre has all day cookery demonstrations by top regional chefs using Game (sponsored by game-to-eat and Falcon Ranges) and fresh local produce. The best local restaurants from the area are involved and their chefs will be on stage preparing some of their own favourite dishes. Organisers Living Heritage has included lots for the chil-

dren to do. Amusements, puppet shows, face painting and the opportunity to learn how to fish with the Angling Trust, fly a hawk in the falconry village or handle a gun-dog in the gundog clinic. Last but not least is your dog. Don't leave him at home!

There is Lurcher & Terrier Showing, Racing & Gundog Scurries for the Countryman, and for the family pet the

fun dog show or Chase the Bunny.

With over 150 specialist country shopping stalls as well as the themed village stalls to browse and superb food to eat – all day – a trip to the South Western Game and Country Fair will entertain families and experts alike.

Visit [www.livingheritagecountryshows.co.uk](http://www.livingheritagecountryshows.co.uk) to find out more. Tickets are £8 for adults, Oap's £7 and children £4.

## Cool cars for kids at Autoquake.com

JUST in time for the start of the university term the UK's leading online car retailer Autoquake.com has a wide range of trendy, safe and affordable cars in stock which are perfect for young drivers and the bank of mum and dad.

A used Mini has to be top of many young drivers' wish list. At Autoquake.com, prices start from just £8237 for a 55-plate Mini Cooper 1.6 with 26,000 miles on the clock.

'Any parent buying a car for their child wants the safest, most reliable car they can afford,' said Autoquake.com CEO, Garry Hobson. 'A teenager will want something that looks good and will impress their friends.'

Shopping at Autoquake.com can keep the bank of mum and dad and teenagers happy.

'Look for a car which has driver, passenger and side airbags. Ideally it should have stability control, too, which will help avoid an accident,' advises Hobson. 'Check how well these safety systems perform by looking up the car's crash test rating at EuroNCAP.com. It's worth using customer satisfaction and reliability surveys, and online owners' forums, to learn which cars are reliable and which aren't.'

Cool, safe cars start from well under £6000. More affordable but nearly as good looking as the Mini, Autoquake.com has a choice of Peugeot 207s in stock, with prices starting from £5548 for an 06-plate 207 1.4 16v Sport 3dr with 34,000 miles on the clock. The car has driver, passenger and side airbags. When crash tested by Euro NCAP,

the 207 scored five out of five stars for adult occupant protection, one of the best ever scores by a supermini.

The Fiat Grande Punto also scored five stars when crash tested by Euro NCAP. Just £5697 buys an 06-plate 1.2 Dynamic 5dr which has covered 12,000 miles. While parents will appreciate the car's safety features, teenagers will appreciate the 15-inch alloy wheels and CD player.

Buyers will find plenty of information to help them choose wisely at Autoquake.com. Every car listing includes 40 photographs, giving a comprehensive picture of the car's condition, inside and out. The Vehicle Condition viewer shows any faults beyond normal wear and tear, and each car's specification is listed in detail – including safety equipment.

## WESTCOUNTRY JAGUAR

### Independent Jaguar & Daimler Specialist

**Tel: 01404 891999**

*Passionate about Jaguars for over 39 years*

**W**ith 39 years of experience looking after Jaguars, Derek Lee has brought his skill and passion to Dunkeswell. Derek provides the ultimate care in Jaguar repair and maintenance at a competitive price on a one to one basis.

Derek has been based in London where in 1976 he left his employment with a Jaguar main dealer agent to become one of the founding partners in Leeborn - a family based business, which even then was centred around Jaguars. Having become the business's driving force, and developed it into a highly respected Jaguar and Daimler sales and service centre, the company then moved to new purpose - designed, fully equipped premises and renamed the company D.A. Lee. Derek's workshops have been designed to his own specifications and equipped with the very latest in computer diagnostics so that the care and maintenance of Jaguars and Daimlers was simply the best.

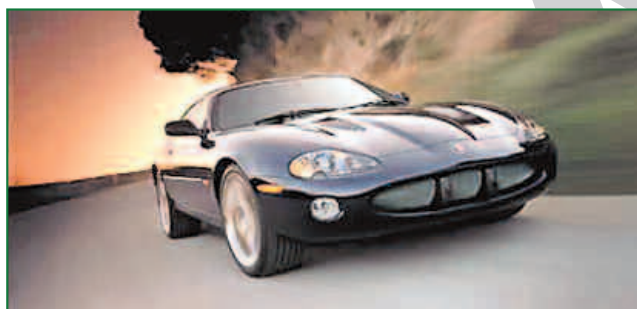

Derek Lee is not a man who accepts second best. He honed his winning formula in the competitive world of motorcycle racing. In six years Derek won more races than he can remember and three championships. Derek invested in the right equipment, employed the right people to tune and maintain his race bikes so that they were always in peak condition and absolutely reliable, he then added his own determination and drive. He is using that same formula to provide Jaguar and Daimler owners with the best independent maintenance and repair facility in the area.

Derek has looked after many customers from all parts of the globe - from all over England, Israel, Italy, Sweden, France and Scotland, some who still have their cars brought down to the brand new premises in Dunkeswell, like a Series II V12 Coupe which Derek has looked after for 32 years. Some of Derek's old London based customers having moved to the West Country, and after learning Derek is based in Dunkeswell, are coming back to re-establish service on their Jaguars.

Derek has the latest and best equipment money can buy in his workshop. From the computerised engine diagnostic and tuning unit to an air-conditioning maintenance machine, which also cares for the environment - no refrigerant is released into the atmosphere.

D.A. Lee is fully equipped to carry out all maintenance and repair work on Jaguar or Daimler cars. D.A. Lee offers the best independent and personal Jaguar service with all work being carried out to Jaguar specifications and schedules, using genuine Jaguar parts and top grade Oils. Regular reports keep you in touch with your car's progress and Derek will also consult you before carrying out any unexpected work. All this comes at a much cheaper price than a main dealer. Whatever your Jaguar needs, D.A. Lee is able to provide a service second to none.

Call Derek Lee now on 01404 891999 "Your one to one personal Jaguar emergency service".

### CUSTOMER TESTIMONIALS

**Hi Derek,**

*Just to say thank you for the recent work carried out on my Jag. Everything is perfect and as I was so impressed with your service I will, without hesitation, use you again and will also recommend you to others.*

**R&P, Axminster**

*Thank you for servicing the X type. Moving to another garage is always a risk, but I just wanted to say how impressed I was with the whole experience of moving away from a main dealer to you. From the very first phone call to getting the car back was fantastic, a level of service that one really only dreams of these days, certainly five star plus.*

*And to top it all, the cost of the service was realistic with no nasty surprises or unexpected expenses attached. It was a true pleasure to deal with a craftsman who knows his trade and is passionate about Jaguars. Thank you.*

**M.K. Honiton**

**Dear Derek Lee,**

*I write formally to put on record the excellent work done for maintenance and overhaul of my S Type Jaguar. The car feels like new again and is a pleasure to drive.*

*I cannot speak highly enough of the cleanliness and order, both of your workshops, and of my car when returned. All the work was of a very high standard and was carried out with the manufacturers spare parts and at substantially lower charges than at a main dealer.*

*I would not hesitate to recommend your work to other owners.*

**T.McC, Wick, Honiton**

**Dear Derek,**

*I was delighted with all aspects of the service I received from Derek Lee at West Country Jaguar. Derek's in-depth knowledge of all things Jaguar and his speedy and expert diagnosis of the problem I had with my X-Type left me a very, very satisfied customer indeed. This was in contrast to a number of visits to various Jaguar main dealers which have left me often frustrated and occasionally less than happy with the service I received. On return, my car was valeted to a high standard and has since been running beautifully. What more can you ask! All my own words!*

## THE FASTEST-ACCELERATING VOLKSWAGEN YET: THE NEW GOLF R

**FASTEST YET** | The new Golf R arrives in December

THE most powerful and fastest-accelerating Golf ever produced – the Golf R – has been unveiled at the Frankfurt Motor Show. Developed by Volkswagen Individual, the special projects wing of Volkswagen, and following on from the Mk IV and Mk V Golf R32 models, the Golf R is equipped with a 2.0-litre TSI four-cylinder engine developing 270 PS and four-wheel drive.

Not only is the new engine 35 kg lighter and 20 PS more powerful than the 3.2-litre V6 found in the outgoing Golf R32, it's also more efficient. Economy rises from a combined 26.4 mpg to 33.2 mpg while CO2 emissions fall from 257 g/km to 199 g/km. Despite the gains in efficiency the Golf R is faster and sharper than ever – the new car can accelerate from rest to 62 mph in just 5.7 seconds. Equipped with a six-speed DSG gearbox, this figure falls to 5.5 seconds while top speed is limited to 155 mph.

The 1,984 cc, four-cylinder EA113 engine (as opposed to the EA888 fitted to the current Golf GTI) is derived from the Mk V Golf GTI. To extract the extra power the block has been reinforced with an entirely new alloy head, uprated pistons, conrods and high pressure injectors. An uprated turbocharger generating 1.2 bar of boost is joined by a new intercooler to cope with the extra heat generated. The result is 270 PS developed at 6,000 rpm and 258 lbs ft of torque at 2,500 rpm.

New 345 mm diameter front brake discs (rear: 310 mm) and callipers are joined by uprated suspension that's been lowered by 25 mm with revised spring and damper rates and new anti-roll bars. The Electronic Stabilisation Programme (ESP) has also been revised for the Golf R with two stages designed for track use. Finally, the electro-mechanical power steering system has been tweaked to sharpen responses.

Unlike the four-wheel drive system fitted to the R32 that relied on differing wheel speeds between the front and rear axles to engage the four-wheel drive, the system fitted to the Golf R uses a pre-charged hydraulic system that's able to react more quickly while also limiting the torque being channelled through either axle to reduce wheelspin. In extreme cases up to 100 per cent of the torque can be channelled to the rear wheels if required.

To set the Golf R apart from a conventional Golf or GTI it's fitted with new front and rear bumpers complete with LED running lights at the front and a gloss black diffuser at the rear housing a pair of central exit exhausts. A set of Xenon headlights and a new black grille and wing mirrors extend back to a set of sill extensions framed by 18-inch five-spoke wheels complete with 225/40 tyres as standard – 19-inch wheels with 235/35 tyres are optional. At the back, unique rear light units lend the Golf R an aggressive look – the high-intensity LED bulbs hidden behind smoked lenses.

The changes continue inside the Golf R – a set of distinctive aluminium 'R' kick plates are joined by new seats finished in grey Alcantara contrasted against high-grip black mesh cloth. Gloss black highlights throughout the interior are complemented by the subtle, electric blue needles in the revised instrument column.

The new Golf R is set to arrive in the UK in December with prices and specifications due to be announced nearer the time.

## Toyota iQ puts on the style at Frankfurt

**DIMINUTIVE but distinctive, Toyota's iQ is capturing the spotlight at the Frankfurt motor show with two bold new design studies that further prove responsible, sub-100g/km motoring doesn't have to be dull.**

iQ, the world's smallest four-seat production car, is already a head-turner on the street with its thoroughly contemporary and compact styling. Now Toyota is revealing the car's potential for customisation, with street-cool body kits and vibrant interiors.

### iQ Collection

iQ Collection focuses on the cabin, with the white pearl finish of the body carried through to trim details such as the centre console, instrument binnacle and door panels. The leather upholstery is a matching white shade, with a central seat panel design exclusive to the show model. The fully glazed roof makes for an exceptionally light and bright interior.

### iQ for Sports

iQ for Sports is all about urban street style with a bespoke body kit that accentuates iQ's broad stance, powerful geometry and clean, sweeping lines. The

car rides on custom-made 18-inch alloys and features aero-headlamps with high-intensity LED driving lights for an unmistakable "look-at-me" appearance. There is also a rear roof spoiler and a trapezoidal central exhaust, further emphasising iQ's potential for personalisation.

The radical styling continues on the inside with illuminated door handles, a swivelling spotlight on top of the dash, an illuminated iQ logo and trim panels crafted in raw nickel and aluminium.

The seats are finished in bright green and grey upholstery, with contrasting bolsters in a matt-black scuba-style polyurethane, and the headlining is also a vibrant green. On-board entertainment and navigation are controlled by a 10-inch LCD touch-screen, with DVD playback and music library functions.

## Put a sat nav device in the stocking this Christmas

You'll be able to get from A to Z quickly, safely and stress-free

The TomTom ONE IQ Routes boasts leading technology available before only on the top end models. It allows you to take the routes the locals use and removes the uncertainty of not knowing where you're going or when you'll arrive. It knows that the fastest route on a Sunday afternoon may be very different on a Monday morning. Advanced Lane Guidance gives you more confidence when dealing with complex junctions and there are also safety camera alerts and local fuel prices.

**The TomTom ONE IQ Routes Europe is priced £169.99 (SRP) or £149.99 for UK/Republic of Ireland maps.**

The TomTom XL LIVE features not only the intelligent IQ Routes system, which is based on average road speeds for any journey, but also HD Traffic - which gives you 'real-time' congestion data. So you're always on the fastest route, whatever the road conditions! There's Advanced Lane Guidance for navigating complex junctions, as well as safety camera alerts and directions to the cheapest local fuel. Tap into local Google listings and drive to the nearest Indian restaurant or flower shop, wherever you are.

**The TomTom XL LIVE Europe has detailed maps of 42 countries priced £219.99 (SRP), whilst the UK/Republic of Ireland version costs £199.99.**

The TomTom GO x50 LIVE range is the flagship series. It calculates the fastest routes based on the world's largest collection of historical speed profiles - 800 billion historic speed measurements of 15 million road kilometres. You get all the information you need about the jour-

ney before you set off, at a glance. Once on the road, this advanced sat nav constantly checks if there is a faster route, taking changing road conditions into account via a combination of IQ Routes technology and real-time HD Traffic information. There's also an Eco Routes option, so you can select the most fuel-efficient trip to help reduce the environmental impact.

The TomTom GO 950 LIVE has pre-installed maps for the US, Canada and 45 countries in Europe. The GO 750 LIVE offers navigation across 45 European countries, whilst the GO 550 LIVE features maps of the UK/Republic of Ireland. Available from the end of October, prices TBC.

For anyone who already owns a TomTom sat nav device, you can now download the original Homer Simpson voice for just £7.95. Homer's comical and unusual advice helps you find your way to your destination - whether it's your favourite supermarket or doughnut store! Homer adds his own special words of wisdom to your journey, with commands such as "take the third right - we might find an ice cream truck! Mmm, ice cream". Download it at [www.tomtom.com](http://www.tomtom.com)

TomTom sat nav devices are available from Halfords, John Lewis, Comet and other retailers

## BOWLS ROUND-UP

# Only three losses in excellent season at Chardstock

### SEATON with Dave Ford

MENS Captain's day took place on Saturday and the 48 members who were lucky enough to take part on this occasion, will remember it as a very special day, especially our Captain Don Yaxley.

The weather was perfect, the Captain v Vice Captain match played on five rinks was very enjoyable as was the meal that followed. The match ended in a narrow victory for the Vice. Don expressed his grateful thanks to Brian and his band of six ladies for all the hard work that went into not only the preparation of this excellent meal, but also the waitress service of both food and drink that followed. In addition a table top sale raised £143 for the Devon Air Ambulance.

Afterwards Don gave a token of his appreciation to each of the helpers, and went on to thank his officers and members for their support during the season, and for attending what for him was a very memorable day.

Two days later the last internal competition of the season took place. The Ray Jeffries Memorial Trophy is a two wood drawn pairs event for men, played over 15 ends and to a finish.

After some interesting matches, the evergreen Brian Kenning and his partner, new to bowling this year, Bob Scull faced the experienced pairing of Lawrie Skipper and John Wright in the final.

After seven ends it looked as if Brian was going to win his second piece of silverware in eight days, and Bob his first with the score standing at 13-1 in their favour. Seven ends later however that lead had been cut to two, with one end to play.

Lawrie and John completed a remarkable victory by scoring the three shots they needed on this final end, leaving their opponents disappointed, but still able to congratulate the winners on their achievement.

Ivor Steer, Ron Rowley and Les Tooze represented Seaton BC at the over 60s tournament at Budleigh Salterton on Wednesday.

Thirty clubs took part and our players did us proud, finishing in second place with a +15 scoreline, which included a hot-shot (eight shots on one end).

### Results of the friendlies this past week.

**9th September** v Hemcock away two ladies rinks lost 23-57. Four mens rinks lost 58-108. Top rink out of six, with a draw 17-17, was B.Scull, F. Brown, A. Green and G. Mabon.

**10th September** v Axminster away three Ladies triples lost 34-53. Top rink was O. Blunden, M. Vessey and A. Mayhew 16-15

**11th September** v Budleigh away three Ladies rinks lost 49-54. Top rink was O. Blunden, S. Pike, O. Real and R. Follenfant (no score to hand).

**13th September** v Alexandra BC from Bath. The tourists experienced a tram trip from Colyton to Seaton before the match, and remained 'on track' by securing a narrow victory by three shots, despite Seaton winning on four of the seven mixed rinks.

As with all touring sides, it was a most enjoyable afternoon for

all who took part.

**15th September** v Taunton at home. Six mixed rinks had to combat a very strong wind and later in the afternoon rain as well, and at teatime Seaton were well down overall.

A good fight back in the second-half of the game gave them an honorable draw 97-97. Top rink was Ed Backhouse, Nancy Collins, Hazel Smith and John Wright 18-6.

### CHARDSTOCK

THE ladies team must be congratulated as their final match of the season against Bridport on Monday 14th September resulted in victory by 69-30 shots.

Records show that from 22 matches played, only three were lost, and is a fine achievement by only 13 players.

A 4 rink mixed match away to South Petherton on Tuesday 15th September sadly finished in defeat for Chardstock. Only winning on one rink and losing on three rinks was the bottom line in a 87-67 shot result.

Chardstock: (Skips only) M. Toms lost 17-26, B. Sluman lost 14-23, P.Compton lost 9-24 and N. Denslow won 27-14.

The final match of the outdoor season, was a re-arranged fixture against local team Axminster, on Friday 18th September. Sadly, in a four rink mixed match on the all weather surface at Cloakham Lawn, Chardstock were outplayed and lost on all rinks, and overall 97-61 shots.

On the afternoon of Sunday 20th September 30 members and friends met at Chardstock for Captains Day and the closing of the greens for winter. A 15 end four Triples match was played followed by a barbecue and raffle.

### FENITON with Roger Smith

THE Feniton Bowls tour to Eastbourne enjoyed excellent weather and the games played were pleasantly social events.

On the Friday, the tour visited Hampden Bowling Club and lost. On the Saturday the teams lost to Seaford B. C., but beat Crouch B.C. On Sunday the team visited Bexhill and Polgrave Bowling Clubs and lost both matches. The final day saw the team entertained by Atherley B. C. again losing. In the evening, the Atherley Club laid on a dinner at which the tour awards were made, the Player of the Tour was Kathy Jones laid on a meal

The start of the penultimate week of the season saw the mixed team defeat Axminster by 77-62. The winning rinks were F. Brooks, A. Pritchard, G. Blackmore and R. Clarke 25-11 and F. Jones, J. Blackmore, G. Skinner and J. O'Sullivan 22-17.

Unfortunately, the next day they lost to Honiton by 48-89, not managing to win a single rink. However, this was followed by a close match away at Hemcock by 82-91. The winning rinks were T. Pyle, J. Mitchell, R. Veitch and R. North 21-13 and E. Tuck, F. Jones, T. Young and L. Ley 22-19.

Finals weekend started with a good win for Richard North who beat Roger Smith comfortably by 21-11 in the Club SinglesFinal.

In the Sir John Acland Trophy Eddie Cox beat Stan Nevill by 3 sets to nil.

The husband and wife competition was won by Martin and Lyn Eveleigh who beat Ian and Ruby Veitch by 26-14.

On the Sunday, Paul Edmonds and Richard North defeated Martin Eveleigh and Roger Clarke in the Club Pairs Final. Paul and Richard took an early 11-0 lead but they were pegged back by Martin and Roger to a lead of only two shots at 13-11. Before Paul and Richard then responded to win by 26-12.

The Marjorie Ferguson Trophy was won by Ruth Clarke who beat Penny Gray by 21-10.

In the afternoon, Ladies Captain Judy Smith beat Lyn Eveleigh in a very close and absorbing contest by 14-13, in the Ladies Two-wood Singles Final.

The Men's Singles saw Martin Eveleigh beat Don Conbeer. Don took an early advantage to lead by 9-2. Martin responded and fought back to lead by 12-11, this provoked a reaction from Don who turned the tables to lead by 17-14. However, Martin showed steely resolve to win by 21-18.

In the mixed doubles final Jo O'Sullivan and T. Young had a titanic battle with Avril Coyne and Graham Phillips before winning by the somewhat flattering margin of 28-14.

### AXMINSTER with David Harris

THE Ladies completed the Season with an excellent home win against Seaton (53-34) with Gill Gait, Muriel Smith, and Margaret Compton our top rink (22-9).

The final three mixed friendlies ended in two away defeats and one home victory. Firstly at Culmvalde (58-83) despite the great efforts of Chris Coombes, Derek Eldridge, Alison Glyde, and Sheila Martin (22-11 winners) and next at Feniton (62-77) despite sharing the rinks - our winners being William Cook, Ann Clayton, Frank Lintott, and Alison Glyde (16-14) and Les Monk, Ken Quick, Chris Hobbs, and Sheila Martin (18-16). Our final match of the Season ended in an excellent 97-61 shot victory over Chardstock at home with Les Monk, Brenda Flanagan, Frank Lintott, and Margaret Crompton our top rink (27-12). As with all our friendlies this Season the games were all played in great spirit and enjoyed by all.

Our Club Competition finals have now been completed with the following results:

**NON-WINNERS CUP:** Roger Legg / Runner-up - Ann Clayton. **MENS' 4-WOOD DRAWN PAIRS:** Derek Eldridge/Graham Ayres. Runners-up Frank Bridge/Pat Hicks. **LADIES' 4-WOOD DRAWN PAIRS:** Ann Clayton/Alison Glyde. Runners-up Pam Hunter/Marion Harris. **MIXED 4-WOOD DRAWN PAIRS:** Frank Bridge/Ann Clayton. Runners-up Roger Legg/Margaret Crompton. **MIXED 3-WOOD DRAWN PAIRS:** Graham Ayres/Marion Harris. Runners-up David Harris/Alison Glyde. **MENS' 101 CUP:** David Harris. Runner-up Les Clark. **LADIES' 101 CUP:** Margaret Crompton. Runner-up Joyce Copp. **MENS' 2-WOOD SINGLES:** Brian Clark. Runner-up David Harris. **LADIES' 2-WOOD SINGLES:** Margaret Crompton. Runner-up Joyce Copp. **MENS' 4-WOOD SINGLES:** David Harris. Runner-up Les Clark. **LADIES' 4-WOOD SINGLES:** Joyce Copp. Runner-up Ann Clayton.

No doubt the outstanding match was the Ladies' 4-wood singles final where Joyce Copp came from 20-14 down to pip Ann Clayton by just one shot - a superb game!

The season-long Triples and 'Umbrella' competitions were won by Brian Clark and David Harris respectfully!

### HONITON with Tony Broughton

THIS has been the last week of the 2009 season for the

Honiton Bowls Club and it started with a somewhat predicament loss against a very strong Spreadagle Bowls Club touring side.

This club is what is left of the old Barclays Bank Sports & Social Club with members coming from all over the country and they were all of a high standard.

There were five rinks of Men and two triples of Ladies. The men lost on all rinks but with the smaller loss were John Bryan, Janice Sharman, Norman Oliver and Eddie Sharman at 15-18.

Both ladies triple won with Rita Barwick coming out top at 26-10 aided by Jean Crockett and Pearl Hackwood. Despite their win the overall loss was 113-140.

Tuesday saw four mixed rinks go to Bradninch and came out winners on all four rinks, a bit late in the season but our luck may be changing. Top rink on this occasion was David Tooley, Pearl Hoare, Janice Sharman and George Hoare at 34-8, there's life in the old dog yet.

Wednesday was the Round Robin Competition and Presentation day for the Over 60's League at Budleigh Salterton. Honiton sent a triple to compete in the competition but the eventual winning team was from Chagford at plus 25, runners up were Seaton at plus 15. Thirty clubs took part, the weather could not have been better and a really super afternoon was had by all.

Thursday saw a repeat of Tuesday's performance with four rinks travelling down the road to Feniton. Again all four rinks won and just to rub it in we won all the Raffle Prizes as well. Hard luck Feniton, I cannot wait to see Rogers report. Top rink this time was Lynda Gadd, Doug Hiron, Rita Barwick and Tony Broughton at 28-13.

I must say what an improved green Feniton is. The last time I played there possibly 4 years ago, to be generous, it was rubbish. Now it is one of the best greens I have played on this season. Congratulations to Martin Eveleigh and his wife Lynn and everyone else that have put so much effort and work into the green over the last few seasons, you can all be truly proud.

Saturday was the Captains Day. Tony Broughton and Brenda Harris the Ladies Captain entertained six rinks in a friendly competition over 16 ends. The eventual winners, well, as it was three winning rinks each Tony maintains it was a draw, but in fact the score was 100-92 to the Lady Captains Side, well done Brenda's gang. However, Tony took pride in having the top winning rink of George Selvey, Lindsay Crosthwaite, Rod Isaac and Norman Oliver whom walked away with the prize of a bottle of wine each with plus 10 shots.

It was nice to see so many of our young players taking part in this match. After a tea supplied by the two captains, Doug Hiron, the Club President, presented the Merit Trophy and Medal for the most improved Young Player of the season to Jordan Wiltshire and the Junior Competition Trophy to Hannah Morley. This competition is played for over the Indoor and Outdoor seasons.

On Sunday the Final Fling was arranged by Arthur Dimond our Club Fixture Secretary. This takes the form of a Round Robin competition played over 20 ends. The winning rink was Pearl Hoare, Arthur Dimond, Chris Nex and Dennis Hillyear. Runners up were Gina Morley, Maureen Parsons Ken Clarke and Tony Broughton.

On Monday the Club's four Indoor Rinks will be in full use for the first evening match of the new 2009/2010 season.

If you think you could be interested in Bowling come along to

## AXE CLIFF GOLF

### With Helen Gaudie

THE Ladies played their second round of the Freddie Newbery putting, the fourth round of the Axe Cliff cup and a Medal competition - and once again the wind played havoc with the scores.

The winner of the Medal was Margaret Brown (27) with a nett 77 and the winner of the putting competition was Glenda Board (18) with 39.

In the Seniors' Section a medal competition took place last Friday on the date vacated by Torrington who withdrew from the scheduled inter-club match

between the sections.

Only 32 members participated on a superb September morning and three players broke the par of 70. The winner, with an excellent 65 nett, was Mike Parsons (27). Two players returned scores of 69 and second place on the inward half ruling went to Chris Jowett (17) with John W. White (23) having to settle for third spot.

In the recent Exeter Golf Club's Seniors' Open at Topsham, Malcolm Glass and Chris Jowett scored 37 points and won 8th prize. Well done to two players in good form.

## YOUTH FOOTBALL SUMMARY

**FENITON Flames U10s** got off to a blistering start at home this Sunday against **Honiton Town U10s** with a stunning strike from George Kimber after just five minutes. The Flames continued to dominate the first half with another sweetly timed shot from Kimber, just before Honiton bravely battered the home defence to get a well deserved goal back as half-time approached. The Flames seemed to have been slightly dampened at half-time as Honiton Town came out fighting and put a further three goals past the home side in all too quick succession. Feniton once again found their resolve, pushing Kimber forward for his hat trick. The home goal scorer had been superbly supported by the tireless Man of the Match, Albert Southall-Brown and Henry Mutter who valiently led the Flames for the first time this season. In addition to these three, Jack Ellison, Kyle Hartnell, Will Daly, Charlie Olive, Jake Burgess and Andrew Mortimer all gave an enthusiastic and supportive crowd a great morning's football.

**Sidbury United U13s** opened their season with a game best described as a

goal fest at home to Heavitree, but still managed to end up pointless. A total of 12 goals, as the lead first went one way then the other in this entertaining game.

It was a pretty even encounter, with both sides going for the win. Ben Kidson was rewarded for his efforts when he equalised to put the game level at 1-1. Zac Mattin and Hamish Culling both scored on their debuts, Robert Mansfield put in a fine performance in midfield before having to retire through injury. Billy Reed also did a good job in the heart of the Sidbury midfield.

Heavitree's early season fitness probably proved to be the deciding factor in the end, but heads should not drop from this first performance. Three quick goals in the space of four minutes for Heavitree seemed to have put the game beyond United, but back they came again with a well taken goal from Connor Long. **Honiton U9s** kicked off their season with matches at home against Heavitree (1-6) and Stoke Hill (0-7). Captained by Owen Fisher, good contributions were made by all with three debutants making impressive starts - Dylan Nicholas, Lewis Blackwell and

Wesley Hawkes. Danny Ruel, Luke Barber and Luke Ward battled hard against strong opposition and were supported in midfield by Owen Barribal, Jake Matthews and Rowan Westall. Joel Trim saved a penalty and Ben Moulton claimed the team's only goal.

**Feniton U11s** 3 Brixington United U11s 2 Feniton made a good start to their season in a game where both sides were evenly matched. Goals came from Will Bennett (2) and Matt Venton and new boy Charlie Swift hit the post. Man of the match was Dan Jeacock. **Lyme Regis U10s** 5 **Feniton Falcons U10s** 1 Despite dominating the first 15 minutes Feniton failed to convert pressure into goals, thanks largely to an excellent Lyme keeper. Lyme then took control of the game, took their chances well and deserved their win. Feniton's only goal came from Tom Jeacock.

● Feniton Youth Football Club is sponsoring Danielle Skinner, who has been selected for the Devon Girls' Centre of Excellence at Plymouth Argyle at Under 10 level. Danielle has played in mixed teams for Feniton Youth Football Club since she was seven.

## HONITON HOCKEY

### Honiton Hawks 1Exeter Culme Vale Hornets 6

Another very hot morning for this weekend's friendly hockey match, away at Culmpton against local Mid Devon side, Exeter Culme Vale Hornets, who certainly buzzed against the visiting Honiton side in the first half scoring six goals before the half-time whistle blew.

Two if these goals unfortunately came as a result of deflections off Honiton defenders' sticks. However, following Culmpton's 2nd goal Sophie George, taking a penalty corner pass from Jean Herniman, fired a splendid first shot at goal which was so hard the ball became stuck in the corner of the goal!

The 2nd half was far closer and it was not until the final seconds that the home side was able - following the award of a penalty corner after a defensive infringement in the circle - to score its only goal of the half. Sadly, although Honiton had more chances in the 2nd half than in the first, no further goals were scored.

Player of the Match: Amy Phillips (who also gained this accolade last week so a correction needed to that which was stated in last week's edition).

Practices continue with ECVH at Culmpton Sports Centre on Tuesday evenings. Training takes place between 8:00pm - 9:30pm, with transport being arranged from Dowell Street Car Park at 7:30pm. If you would like to come along please turn up at the meeting point. We extend a warm welcome to all players regardless of current skills.

## AXMINSTER TOWN CRICKET CLUB COLTS PRESENTATION EVENING

◆ **WELL DONE:** The Axminster Town Cricket Club Colts award winners.

THE junior section of Axminster Town Cricket club completed the 2009 season with their annual presentation Evening on Friday, September 11th.

The fine weather proved a bonus as the club had asked as many as players as possible to attend for a coaching/training session prior to the social side of the evening.

Some 50/60 junior members duly came along, together with club coaches and assistants, to enable the attending representative from the ECB to assess the club for the renewal of the Accreditation Award the club first received three years ago.

The club will know the result of the assessment in due course but the general opinion was that all were very impressed.

The managers of the three age groups that competed in the Bradley's East Devon Youth League were present to announce the various trophy winners.

Guest for the evening was ex-England and Somerset fast bowler Richard Johnson, now a distinguished coach, who presented the various awards and Rotary president Mike Garrett was on hand to present the Rotary Junior Member of the Year Award to Christopher Brown.

The under 15s were just pipped at the post finishing second in their League while the under 13s and under 11s ended the season in mid-table.

The number of junior members now attending at Cloakham has led to an appeal for more assistants and several parents have come forward to help. The need for more coaches has grown with the success of the numbers wishing to attend, both at the summer sessions and those held at the Axe Valley Sports Hall throughout the winter.

The success of the 'Chance to Shine' initiative, which is due to continue for another three years, has also added to the workload for the club coaches but through the Devon Community Fund the club will be able to assist four members to attend at a UKCC Level 1 coaching course and one

◆ **GUEST OF HONOUR:** Richard Johnson presents the Rotary Club award to Christopher Brown.

to attend her UKCC Level 2 during the winter.

The list of award winners was as follows: **Under 11s** (manager Adrian Davies) - Batting: George Read, Bowling: Rhys Davies, Fielding: Alfie Bellworthy, Manager's Award: Steven Apsey, Most Improved: Tim Mitchell.

**Under 13s** (manager Neil Fuzzard) - Batting: Josh Short, Bowling: James Rockett, Fielding: David Lyon, Manager's Award: Alex Shute, Most Improved: Oliver Fuller.

**Under 15s** (manager Phil Gordon/Rob Perry) - Batting: Matthew Pile, Bowling: Matthew Pile, Fielding: Steve Smith-Wild, Manager's Award: Matthew Wynn/Alex Rockett, Most Improved: Henry Perry.

**Rotary Club Award:** Junior Member of the Year - Christopher Brown.

### MATCH REPORT:

#### Seaton Town 5 Culm United 1

BOTH teams started reasonably well but it was Culm who took the lead inside ten minutes with an exceptional 30 yard strike that left goalkeeper Dan Stapleton with no chance.

Seaton dusted themselves off and played some good football against a big strong powerful side. Seaton were having the majority of the possession with wing-backs Fellingham and Vere attacking the visitors at every possible opportunity. Culm

stood strong and dealt well with the numerous attacks and crossed balls and needed their keeper to be at his best.

The Seasiders eventually got the equaliser after 35 mins and it was a moment of individual magic from Joe Byrne that broke Culm Utd's hearts having received the ball wide left 16-year-old old hit a left foot shot that dipped into the goal at the near post. Seaton went onto dominate the half and went into the break the happier side.

The second-half saw Seaton completely dominate and Culm simply could not cope with the technical ability and high fitness levels shown by the home-side and conceded a further four goals scored by Ede (2), French and Vere. Both Wilkinson and Durrant missed good chances late on and by the end Culm were pleased to hear the final whistle.

*Man-of-the-Match:*

*Robbie Fellingham*

**Seaton Town line-up:** Stapleton, Vere, Morgan, Perham, Fellingham, Durrant, French, Ede, Lamb-Wilson, Groves, Byrne. **Used Subs:** Wilkinson, Alphonse, Cross.

## Rugby round-up

with Keith Jenkin

RATHER strangely, the season having just got under weigh, several local clubs were left kicking their heels on Saturday last. Honiton were without a fixture for there are currently an odd number of sides in the Devon League and it was their turn to miss out.

Chard firsts had no game too, as did Bridport, at both first and second team levels, and Dorchester's intermediate cup opponents, Newbury Stags, declined to travel. I, deciding that it was time to have a look at the latest member of my flock, made the journey to Weymouth to take in their cup encounter against visitors Thatcham. In fact this was the only game to take place in the area, for the club's second team opponents, Supermarine, conceded earlier in the week.

### IVYBRIDGE 55 SIDMOUTH 8

THE Sidmouth camp would have viewed the magnitude of this defeat with some concern, although, at the halfway stage there were few hints of the problems to come.

True they turned round with the scoreline standing at 18-8 in Ivybridge's favour with Sidmouth's scores coming via a well worked unconverted try, touched down by Lewry, together with a Channing penalty goal.

After the break it was all rather different. Gaps appeared in the Sidmouth defence, overlaps occurred and Ivybridge were too good a side not to take advantage. They romped away to win conclusively, leaving Sidmouth with much to ponder when the whistle for no side blew.

Sidmouth will certainly be looking with some concern at the reasons for this latest defeat. Last week's mauling by Hartpury College would have been seen in context for they probably share my opinion that Hartpury will be walloping sides by considerable margins throughout the season. (I see that they beat St Ives by a similar margin on Saturday last).

The margin of defeat by Ivybridge is a different matter and I would suspect that it was unexpected by either camp. Sidmouth will be certainly looking hard for the reasons and will then take steps to rectify the problems. They certainly have time to do so and I would mention that they did not start last season's campaign too well either. They ended the season well enough though.

### HONITON 2nd 90 OPM 2nd 0

IT would appear that, bearing this result very much in mind, all the effort that the Honiton club has put into its junior section is certainly bearing fruit. They went off like a firecracker in this Merit Table game and took the lead via a pushover try, touched down by number eight Galling in the clubhouse corner as early as the second minute.

The try remained unconverted, but what was to become a veritable scoring spree continued in the short term for, within twenty minutes of the start, open side Linden Jones had gone in under the posts, converted by Salter, and Steve Lennan, John Selway, Sam Collins and James Laughlin had also touched down. These scores took the home side into a 32-0 lead by the end of the first quarter and they continued in the same vein.

Tries from out half Salter, Sam Collins' second, converted by Brad Spiller, Floyd and a second from Jones converted by Ollie Rice took Honiton to a 65-0 half time lead.

More was to come in the second half. Selway scored again, converted by Rice. Floyd scored his second of the game before touchdowns by Josh Wood, Ollie Hyland, Ben Clarke and most peoples' Man of the Match, Phil Cook took Honiton out of sight. Hyland converted one of the late tries to complete the scoring to take Honiton to a massive and satisfying win.

#### PREVIEW

SIDMOUTH certainly do not need to be informed of the fact that there are no easy games in the South West League Division One (West) for they have suffered drubbings in their last two league encounters. They entertain NEWTON ABBOT on Saturday next, a side who ended last season just adrift of a promotion place and who have won both their away games so far this term.

Sidmouth have yet to win a league game this season and will have to put recent reversals behind them and be at their best if they are to win this one. HONITON on the other hand, do I believe, have a number of opponents in the amalgamated Devon League Division One North and East whom they should beat and beat comfortably. The form book would suggest that ILFRACOMBE are one such for they have lost their first two league games, one of which was against Wessex who the Allhallows bunch recently bested. I do feel that complacency will be Honiton's worst enemy on Saturday next.

The Sidmouth club do in fact, take on Newton Abbot at second and third team levels and will be assured of two competitive games. The Colts too take the road to Newton Abbot and, while I think that they will win, they will be extended by the home side. Honiton seconds, like their first side, play at Allhallows and will face a pretty tough "ask" if they are to come out on top against Tavistock seconds.

**FIXTURES September 26th:** Bridport v Wimborne 2nd Chard 3rd v Tor 3rd, Dorchester v Oldfield Old Boys (away); Honiton v Ilfracombe; Honiton 2nd v Tavistock 2nd (home); Sidmouth v Newton Abbot (home); Sidmouth 2nd v Newton Abbot 2nd (away); Sidmouth 3rd v Newton Abbot 3rd (home); Sidmouth Colts v Newton Abbot (away); Weymouth v Frome 2nd (home).

## Axminster Town

# FIGHTBACK BUT NO POINTS

**NEWTON ABBOT SPURS 2 AXMINSTER TOWN 1**  
AXMINSTER Town, looking to build on last week's excellent win over Exmouth Town but still without key players Sam Dibbling, Richard Challis, Ritchie Emmett, and Richard Spiller, found themselves on the back foot and went down 1-0 in the eighth minute when a misunderstanding in the Axminster defence let in striker Nick Edmonds who slotted home from 20-yards.

The Tigers were then let off the hook when in the 15th minute when Darren Bingham was brought down in the box. Bingham picked himself up and took the penalty but his effort was well saved keeper Chris Higgs who then blocked the rebound and the ball was cleared to safety.

In the second-half Axminster conceded a second in the 48th minute when midfielder Edmonds found himself in space, and scored from just inside the penalty box. Being 2-0 down the Tigers changed their system and played 3-5-2 with sub Olly Hightett coming on in the 58th minute for Tristan Gale in an attempt to try and get something out of

the game.

The play appeared to work with the Abbots defence coming under increasing pressure.

The visitors finally got their reward when a fine strike by Dominic McAllister from 35-yards was only parried by the hosts' goalkeeper and Adam Cowling followed up to smashed home the rebound for his first goal of the season.

In the 65th minute striker Jamie Barfoot came on for Adam Cowling as The Tigers went for the equaliser. A good chance fell to midfielder Ben Turner but the Newton Abbot gloveman saved well and his side held on. Man-of-the-Match: Chris Higgs.

**Tigers line-up:** C.Higgs, D.Galloway, Mark Hancock, D.Jewell, T.Gale (O.Hightett 50) B.Vine, B.Turner, A.Wheatly, A.Cowling (J.Barfoot 65), McAllister, Michael Hancock.

Next Saturday Axminster are home to Exmouth Town in the Throgmorton cup 2.30pm ko.

# New netball season underway

## HONITON NETBALL LEAGUE with Graham Ingram

THE new season began with one new team entering the league, the Met Office Weather Girls in Division Two, whilst several teams had name changes due to new sponsors - Wasps (were Flames), Bo-Peeps (were KPF), Lyme Bay (were St Mary's) and JD Tyres (were ADP).

**RESULTS: DIVISION ONE - Wasps 29 Flamings A 39, Keeley's Angels 33 Visions 24.**

THE new season began well for both Flamings A and Keeley's Angels, but at the expense of defending champions Wasps and 'Visions'. Wasps and Flamings A started evenly with Flamings just shading the first quarter by 9-7. From there Flamings consolidated their position to lead 18-13 by half way and with Sarah Clark playing well in defence they were 28-20 up going into the final period. Although Clare Gresham played well for Wasps at centre she could not get the team back into the game that resulted in a 39-29 for the side from Axminster. Keeley's Angels game against 'Visions also started evenly, with the Angels

7-6 up at the end of the first quarter. They moved 18-12 up by half way with the third period going goal for goal so that 'Visions trailed by 19-25 at the start of the final session. Angels had the better of the final quarter to end the game victors by 33-24. Karen Hodgkin had been the pick of the Angels whilst Jackie Ditchburn was the 'Visions star.

**DIVISION TWO - NAS 11 Lyme Bay 27, Sidmouth Toucans 29 Flamings B 45, CMC Birds 8 Met Office Weather Girls 33, JD Tyres 17 Tip Top Trees Acorns 37.**

THE change of name had a positive effect for Lyme Bay as they recorded a comfortable 27-11 win over NAS. With Rachel Edwards playing well they led from the start and by half way were comfortably 10-3 in front.

Thanks to some good play from Asilah Jarrard NAS did better in the third and fourth quarters but Lyme bay had done enough for the three points. Sidmouth Toucans had a tough start to the season against the ever competitive Flamings B, and this proved to be the highest scoring game of the night.

With Vicky Tarr in fine form for Sidmouth and Sophia Brown in equally good form for Flamings the evening promised much. The first quarter was even with just one goal advantage to Flamings at quarter time. By half way however Flamings had done a lot of damage to Toucans and were 24-15 up and had increased this lead to 35-22 going into the final period. At the end of the game Toucans had to be content with a point from their 29-45 defeat at the hands of the Flamings. New comers the Weather Girls found themselves up against CMC Birds and by quarter time were comfortably 13-1 in front. With Becky Macey doing well at centre they were 21-2 up at half way. Jenny Robinson injected some more steel into the Birds game for the last two quarters but the damage had been done and the Met Office side won their opening game in the league with a 33-8 scoreline. Final game of the night saw JD Tyres up against Tip Top Trees Acorns.

The first quarter started slowly with acorns moving in front by 6-3 before opening up a 17-7 lead by half way. With Lydia Fanzo playing well for the Acorns they continued to outscore the tyres despite good play from Tanya Broom at centre. Going into the final quarter the acorns led 27-10 and finished winners by 37-17.
